Following Jesus is the best choice anyone can ever make. But living for Jesus can be difficult. He expects a lot from us. He wants us to live like he did, and he always did the right thing.

But Jesus does not expect us to live for him by our own strength. He sent the Holy Spirit to help us. The Holy Spirit is the best helper you will ever have, because he is God. He is always close to you because he lives in you.

In this book you will have a chance to learn what the Bible teaches about the Holy Spirit. Then you can get to know him even better as you become teammates, living for Jesus.

Meet the Holy Spirit as Jesus introduced him to us.

Learn the many ways the Spirit helps you to live for Jesus.

This is a Bible Study guide, helping you to discover in your own Bible about the Holy Spirit.

An encouraging, informative and thorough study about God's Spirit for children.
