APOSIMZ #2 Tsutomu Nihei

APOSIMZ Chapter 2: The 200,000 KM diameter artificial celestial body of APOSIMZ. Most of its volume is its core space, which is covered by a superstructural shell. Fifty centuries ago, the people who lost a war against the core lost their right to reside legitimately in APOSIMZ, and were left behind on the extremely cold surface. They face the spreading Frame disease. And aggressive automatons which appear frequently on the ruins level. Yet even so, somehow people survive.

Brook says

Short but good

A little more story, but it was super short. Hopefully the 3rd has more to it. I wonder what Nihei's thing with spheres and penetrative guns is all about?
