Sinclair Jeffries pensaba que sabía en lo que se estaba metiendo cuando su alocado amigo gay, Jesse Eddington, la convenció para que fingiera ser su novia durante la fiesta de aniversario de sus padres en Huntington Beach. Es decir, hasta que conoció a Reed, el endiabladamente sexy hermano mayor de Jesse, y terminó consiguiendo mucho más de lo que ella había pensado.

Reed Eddington suponía que su futuro ya estaba asegurado hasta que conoció a Sinclair, la supuesta "novia" de su hermano, pero la pura tensión sexual entre ellos es difícil de ignorar. Mientras observa su pantomima desde la distancia, se descubre a sí mismo queriendo descubrir algo más que sólo su divertida pequeña fachada.

Debido al contenido sexual y a temas serios, este libro está recomendado para mayores de 18 años.

ok this was a really great quick read for me..I finished it in just a few hours because I literally couldnt put it down. It kept me interested from cover to cover and had a great storyline and characters..it was something different for me and right now thats just what I needed. A quick change of pace:)

I loved the characters in this book. Reed was freaking hawt! lol and I gotta say Sinclair was my kind of girl..she doesnt hold back what she is thinking...yea I have a problem with that too:) Her and Reed are just great together and I was cheering them on the entire time! Sela on the other hand..I have to admit I wouldnt have been as nice as Sin was..I would've probably b**ch slapped her from the start! Really I mean who cheats on REED!!!! GRRRRRR....And Jesse, ok well I know he is gay but come you have to admit he sounds pretty hot himself;) Might need to try and turn that boy straight..lol. All in all I thought this was a well written book that kept me wanting more the entire time and I think anyone who likes a hold your breath,just waiting for it to happen love storie/drama would really like this.

I did however read this in 2013 but when in a book funk what better way to do than a reread. Glad I did.

I like this book. I thought it had an interesting storyline. It wasn't what I expected but it's worth a read.

I have to say the characters are great especially Sinclair, Jesse and Reed. Now at first I was a bit confused at the Prologue but as you continue reading you'll understand it more. I fell for Reed right away even though he was already taken (always thinking with down below but hey he knew in the end) but his chemistry with Sinclair was definitely hot and Jesse how can you not love him he's the epitome of BFFs. Now, the other characters you'll get to really really cringe at, say hello to Sela (said ex-fiancée of Reed's) but I won't go on cause over the period of two days Reed and Sinclair felt their bond move onto something more and as good as the story is I wished that the ending could have been a little more in depth of Reed and Sinclair's relationship.

Four Stars

Wow. That took me about three hours to finish. That was surprisingly good for a fast, free read. Could've used a little more steam, but otherwise, no complaints :)

This book started strong but then the constant POV changes, kind of killed it, not too mention the sudden appearance of the creepy stalker guy.

Sinclair is a hair stylist and her gay friend Jessie asks her if she will go to his parents home with him and pose as his girlfriend, because his parents think he is straight. She agrees. Its where she meets the super, hot, brother, Reed.

Reed is engaged to a nasty, obnoxious woman.

When he meets Sinclair the attraction is instant, neither one of them can deny it. But Reed is engaged and Sinclair has morals and would never step over the line. But when Sinclair catches Reed's fiance naked with his stepfather, doing the nasty, all bets are off.

Reed escorts Sinclair to a bathroom in the kitchen when things between the two get pretty heated, only to be interrupted by his mother calling out to him for help. Reed makes Sinclair promise to meet him later. What happens next?

Amy says

Complete and utter crap. Ridiculous storyline, poorly written characters and laughable relationship development. A waste of time, don't bother.

Goddess Of Blah says

My feelings on this story - **LOATHE, HATE, DESPISE.**

One dimensional, shallow, pathetic characters - cliches of a cliches.

Slut shaming, girl-on-girl hate, sexist, borderline homophobic, awful plot blah blah....

The Characters:

Heroine: poor, little, uneducated, average me Hair Stylist. She's adopted - Poor Orphan Annie.

Hero: tall, dark, handsome, OLD MONEY rich, annoying playboy of the model/ actress dating type. A lawyer - because *despite his daddy's OLD money he needs to have a job outside the family firm*. No morals, no principles. All the women he meets are after his money, or his father's connections, are shallow, \$luts... UNTIL HE MEETS THE HEROINE!!!!!! Additionally, apparently he's always busy with his court cases (I think he's in Criminal law- not a Corporate lawyer as I'd assume - so either he's thinking of becoming a politician or the author didn't realise that type of law pays peanuts and most rich boys circulate the Corporate sector).

Also he posses a **self-righteous "I'm so IMPORTANT and busy- my clients need me"** attitude.

Additionally, apparently he's in the papers due to his playboy showbiz-dating lifestyle (he even had an ex gf spread rumours about him being an unsteady alcoholic womaniser) - at 27 years old (still making his career) that doesn't bode well for his legal career - it's suicidal in fact. This author really doesn't know much about professional conduct.

Gay Friend: formulaic gay recipe of b*tchy, camp, into fashion, pretty with blond highlights - basically he's not a manly man because he's gay and has to follow a cliche (and because every cliched Heroine requires a CAMP camp friend who's bi&tchy). He's the hero's brother - but unlike the manly, brave hero he's frightened to come out of the closet.

Hero's Mother: snobby, judgmental, cold, shallow, poor manners (because rich people despite all those finishing schools aren't well bred- that's sarcasm btw), and uncaring because that's how rich mothers are.

Hero's father: rich, shallow, immoral, pervy and a casting director of the cliched sleazy type (*because rich people have no depth to them- all that moeny you know*)

Hero's fiancee: rich, shallow, \$lutty, immoral, bimbo, conniving, after-hero's-connections, a top Paris fashion model who thinks everyone above a size 0 is fat (*because all rich girls and models are like this - only poor girls can have the moral high ground*)

Also the Camp gay Friend said his parentst wanted him to have a serious career (lawyer or doctor) like his lawyer brother (their darling) but that doesn't make sense since the father is in showbiz?

Baddie: typical cliched baddie. Won't say more but it's obvious who it is.

The Plot

Poor annie orphan wins rich guy (from old money) despite french models throwing themselves at him and her being only a stylist and him a hotshot playboy with a serious career - a lawyer.

Scene 1:

Heroine: I love my job. I am a stylist!

Scene 2:

Camp Gay Friend: I am Gay!

Heroine: you are camp, fashionable and a Queen B*tch!

Camp Gay Friend: but of course coz I'm Gay!

Heroine: you are so Gay!

Camp Gay Best Friend: But Parents Won't Accept it!

Heroine: poor you!!! It's all that OLD MONEY!

Camp Gay Friend: they also don't like my arty career!

Heroine: It's all that OLD MONEY!

Camp Gay Friend: they want me to be like my lawyer brother

Heroine: It's all that OLD MONEY

Camp Gay Friend: yes - we must have SERIOUS careers

Heroine: its all that OLD MONEY

Camp Gay Friend: I need you to pose as my girlfriend

Heroine: ok

Scene 3:

Camp Gay Friend: hello Butler, this is my gf

Butler: Hello Miss Whatever

Heroine: I am a HUMBLE poor girl- use my name

Butler: Miss Whatever

Heroine: I am NOT rich or shallow. Use my first name!

Scene 4:

Camp Gay Friend: hello Mother

Hero's Mother: I am rich

Heroine: You are OLD MONEY. Thus have no manners!

Hero's Mother: I am shallow and a snob!

Scene 5:

Hero's Father: hello. I am a Pervert.

Hero's Mother: Hero is coming with Fiancee!

Camp Gay Friend: Hero is PLAYBOY!

Hero's Mother: he's 27. Wants to settle down

Camp Gay Friend: is Fiance preggers?

Hero's Mother: no idea! But everyone loves Hero

Camp Gay Friend: hero has EVERY girl after him!

Scene 6:

Hero: women are shallow and \$luts!

Fiancee: I am shallow!

Hero: why am I with her?

Fiancee: why are you always busy?

Hero: I am BUSY

Fiancee: you're ALWAYS BUSY with Court!

Hero: I HAVE A SERIOUS JOB. I AM GOD.

Fiancee: not fair! I am shallow!

====Hero and Fiancee make out=====

Scene 7:

Heroine: hero is HOT!!!!

Hero: Heroine is HOT!! I will ogle despite engagement!

Fiancee: I am shallow and Heroine is FAT!!!

Heroine: I am slim. You are SKINNY and SHALLOW!

Hero: yes Fiancee is too SKINNY and shallow! So it's ok to ogle Heroine!

Heroine: she is stupid and shallow!

Camp Gay Friend: yes Fiancee is shallow!

Hero's Mother: I like Fiancee because she is shallow!

Hero's Father: I am a pervert!!!!

Scene 8:

Hero: my Fiancee is shallow! Not the fault of my taste!

Heroine: I am HUMBLE and not Shallow!

Hero: you are REAL! Not shallow!!!

Heroine: I am poor and not a model!

Hero: she is shallow so ok to look at other women!

====they make out despite engagement==

Scene 9:

Fiancee: I am shallow

Hero's Father: I am PERVERT!

Fiancee: lets make out!

Heroine: oh no! I have stumbled upon this! But she is shallow!

Anyway, I gave up around this time. The story was boring and you kind of get what it'll be like.

Stand-alone book 1.

BLURB:

Sinclair Jeffries thought she knew what she was getting into when her zany, gay friend, Jesse Eddington,

talked her into portraying his girlfriend during his parent's anniversary party on Huntington Beach. That is, until she met Reed, Jesse's sexy as hell older brother, and ends up getting much more than what she'd bargained for.

Reed Eddington assumed his future was settled until he met Sinclair, his brother's so-called "girlfriend", but the raw, sexual tension between them is hard to ignore. As he watches their ruse from the sidelines, he finds himself wanting to uncover more than just their amusing little facade.

Entretenido, bueno para pasar el rato. 2.5

Mas de tres estrellas no le puedo dar. Y aun no estoy del todo segura. Ha sido divertido, ligero y muy entretenido, ideal para pasar una tarde tranquila. Se lee tan rápido que tan solo me llevo cuatro horas libres en la tarde de hoy para leerlo de principio a fin. Bastante predecible y con ciertas situaciones un poco fuera de lugar. Ademas ese desenlace fue tan de sopetón y la resolución de todos los problemas fueron tan *really?* que le bajaron mucho la calidad del libro.

Y pues como mencioné antes, no se si es la edición que tengo (*directa de la tienda kindle*) o qué, pero la narración en su mayoría fue un caos. Básicamente le doy la puntuación que tiene porque cumplió el propósito de entretener mi tarde, no sabia que leer, escogí este y estuve bien.

PD: A quien no le guste los instalove, no se acerque a este libro.

This book had been sitting on my Audible 'to-read/listen' shelf for quite a long time. Since the length was pretty close to the length of my road trip today, I figured I'd finally give it a go.

For the most part, I liked the story. It was straightforward and kept my interest. Sinclair, Jesse and Reed were nice enough characters. However, all of the other main characters were pretty despicable. No wonder Jesse detests his parents! Ugh! The fact that Sinclair was willing to subject herself to them for Jesse's sake tells me that she is a great friend.

Just when things started to heat up between Sinclair and Reed, Michael makes an appearance, throwing the story off-kilter. I think the story would have been far more enjoyable without the introduction of a weirdo, wack-job stalker/kidnapper. It just seemed forced and unnecessary. At the very least, it was distracting.

All in all, it was an okay story to pass time. It wasn't one that will stick with me, bad or good.

AprilA says

Meh... That's what this one left me with. It was an ok story. I didn't dislike it. I just didn't love it. It had all of the ingredients to be amazing though and they just weren't used and mixed in a way that was most advantageous in my very humble opinion. Maybe it's just me though.

Sara says

Ugh... this story is ridiculous. There is no substance to the story. The ending really isn't an ending. It was just a waste of time. It was seriously a chore to finish this book.

♥ WishfulMiss ♥ says

Not Safe. I almost did not finish and wish I'd just chuck it at the 20% mark like I originally wanted too, because it just got worse.

H has a fiance that he is in lust with. She is a horrible person but apparently so hot and gives great bjs and is a wild cat in bed *gag* that the H is willing to put a ring on it?!?! While he is happily engaged to OW he flirts and kisses the h, because you know, he isn't "in love" with his fiance and the h is just so hot!

Nope. Not cool.

The h isn't much better since she knows about the fiance and lets lust cloud her judgement and her "body's needs" are so powerful they turn her into a needy spineless pile of mush whenever the H is around.

One kiss I might have been able to ignore but they both knowingly cheat more than once and neither one redeemed themselves in my eyes. I didn't care that the fiance was a disgusting cheater too, cheating it cheating and it's effed up. It made both the MCs and the secondary characters douchebags.

Even after skimming and making it all the way to the end, the MCs were still annoying and shallow and so many things were left hanging that the story felt incomplete. The fact that the fiance is never caught cheating by the H, even though it was so obvious was frustrating and the H's break up happens off page which made it lack a true feeling of closure, the h doesn't find out about it until a month later.

The stalker/killer plot line was also pretty sloppy! He is never caught and the book literally ends with his POV as he obsesses over some other poor hairdresser! WTF. It was like no one cared that there was a killer on the loose since the h wasn't his intended target anymore. Mega eye-rolling was happening here.

I would not recommend. Thank the book gods it was a freebie!
