## **Dirty Ride** Chantal Fernando

Even by Wind Dragon Motorcycle Club standards, Irish was always a bit of a dark horse. Not one to confide his secrets, such as where he got that mysterious scar across his neck, he's quick with his fists and even quicker to jump to the defense of his MC. But is he nimble enough to handle the woman he never saw coming? Or will she leave him with a matching scar across his heart?

Featuring scorching hot chemistry and plenty of sass, *Dirty Ride* is sure to rev your engine and get you immediately hooked!

## From Reader Review Dirty Ride for online ebook

**Radmila says**

**3,4 STARS!!!**

The Wind Dragons

Valentina is running from her abusive ex. Coming to a new town brings her opportunity to stay hidden and to finally start a new life.

In the bar she meets Ardan (aka Irish).

*"He is older than I am, definitely. Maybe by five or so years. A strong jaw. Sensual lips I want to suck on. A straight nose. The darkest of eyes. Knowing eyes. And a head of thick, short dark hair. Then there's the scar."*

I love reading Chantal Fernando's MC romance, but this one didn't work for me. I think the book was "too small" for this amount of actions it was given.

It would be great if she added 80 more pages. The whole book would be better,

more enjoyable,

---

### **Mari?ina says**

3,5 Stars.

I've said it before, but it never ceases to be true. I love authors who get better with time and Chantal Fernando is one of them. Dirty Ride is an entertaining story with ties to a favorite series of mine, Wild Dragons and even though this is a novella -hence the 0.5 in the title- it was every bit the wild and fun ride i expected.

This title is shorter than i would have wanted but still enjoyable mostly because Tina and Irish are a great match and both open to new challenges. Tina after a long and abusive relationship decides to leave behind family, friends, job and restart her life in a new place where nobody knows her and she is relatively safe from her ex-boyfriend.

Irish will spot her in a bar one night and after that their shared fate is sealed. But enemies are still out to get them and sometimes no matter how far you run from your nightmares they have a wicked way to find you. Only this time things will be different for Tina because Irish or Ardan if you prefer it, is by her side for good.

I had a good time with this sweet and sexy Irish romance and i can't wait to read the next book in the series, Rake's Redemption. Ugh, June is so far away!

## THOUGHTS ABOUT THE BOOK

- Tina looks like Merida, that's so cute.
- Tina is very open with her sexuality. Awesome girl, no extra drama from her side.
- I loved the ending!

*ARC provided by publisher in exchange for an honest review*

There is no ifs, ands, or buts about it, I am totally addicted to *The Wind Dragons MC Series* by Chantal Fernando. And how could I not be, when Ms. Fernando continues to douse her readers with hot, sexy, domineering, protective alpha heroes, who will go out of their way to protect the women they love. And in **Dirty Ride**, Ms. Fernando has once again written a sexy and endearing MC romance that will have you screaming for Irish.

**“This kiss is unlike any I’ve ever experienced. It’s more than just possessive; it’s hungry. I can actually feel the want radiating from him. The need. I can taste it in his kiss, in the way he holds me.”**

Though **Dirty Ride** is a quick and fast paced novella, I loved every minute of the dirty and sexy ride that Ms. Fernando took her readers on. I will just say that this novella was more on the sweet and loving side since this story focused on two strangers who instantly connected and bonded. I loved that Ms. Fernando was able to showcase a hero like Ardan, who personified bad boy but also as hero who had a heart of gold.

**“My past can’t haunt me with Ardan here, because he is bigger and scarier than everything else. He hasn’t shown me that side, but I know it , I feel it. He isn’t one to be messed with. But to me— he is kinder and more thoughtful than any other man I’ve been around or know .”**

The chemistry between Valentina and Ardan were sizzling and palpable right off from the start. I loved that Ardan made it his mission to claim Valentina right away because he knew without a doubt this sexy red head belonged to him. And for Valentina, she finally found a man who made her feel loved and treasured. Valentina may not need a pot of gold when she had the luck of an Irish. Well in her case, she had her very own Irish in Ardan. So if you are looking for a hot, sexy, and sweet second chance romance read with crisp writing then I highly recommend you to read **Dirty Ride**.

### Rosa Sharon (iScream Books Blog) says

**"A bad boy with a good heart."**

I'm addicted to the Wind Dragon MC series. This little dose of 'the good stuff' was just what I needed to take the edge off while I wait for the next book. I've been waiting to see what kind of woman it would take to convince Irish to give up his 'free' lifestyle. The verdict is, I approve. Since the author chose not to disclose her name, I'll respect that and keep the mystery alive for you.

I can tell you that *she* who shall remain unnamed, is full of sass and determination. She makes him work for it, but not for long. Who could resist his sexy Irish accent and his caveman ways. Not me, that's for damn sure. He doesn't know she's running from her past... ***until it catches up with her.*** Her determination that, "My past shouldn't have control over my future", is a good one. But, good luck with that. Until that 'situation' is resolved, it sure seems to be the boss, keeping her from the future that she's dreaming of.

Irish has never chased after a woman, he's never needed to. They come to him. But not her. She makes him rethink what he wants and what he's willing to do to get it. She drives him crazy, in bed and out. There's no controlling her...but does he really want to? He knows going in that she's gonna be more than a handful. He's okay with that, deciding that it's more important to, ***"Keep our fights clean and our sex dirty."***

I loved her character from the beginning and was very excited as I waited for her to cross paths with the members of the Wind Dragon family. I knew she would fit right in, and be able to hold her own with the badass bikers and their strong women. But, how would they feel about the trouble that she brought to them? I'm not telling, you need to enjoy the ride for yourself, it's a good one.

### Libby Harrison says

Beware of Spoilers!

Star Ratings:

Heroine (Valentina): 3.5/5

Hero (Arden/Irish): 4/5

Plot: 3/5

Grovel: none

Cheating: none

HEA: yes

Triggers: domestic abuse by ex (not described in explicit detail)

Average score: 3.5/5

Best Line: h to H: ***"Right, let the random stranger in a biker gang take me home," I scoff, raising my***

eyebrow. “I think I’ll pass on that.””

Finally, some common sense (but it didn’t last very long)!

h’s thoughts about ex: “*He is weak, not I.*” and “*Because only I own me.*”

h’s thoughts: “*I don’t think anyone can have too many books.*”

Worst Line: h’s thoughts about her abusive ex: “*I’ve tried to leave a few times, but each time, he brought me back here. I don’t know what to do.*”

You really don’t know what to do? You are a grown-ass woman not a dog that can be ‘brought back’ when you get away!!

Personal Review:

A short but sweet and sexy MC romance between a woman, who was previously in a long term relationship with an abusive ex, and a hot, protective, swoon-worthy biker.

The ending made me laugh and I was pleased that the H did it.

Random Ramblings:

- Loved H’s reaction to the peanut allergy!
- Some people might think H’s ‘I love you’ was unromantic but I thought it was the most romantic way to say it!

Overall Feeling:

“*A bad boy with a good heart.*”

Who can ask for more?

**NOW LIVE!!!**

\*Amazon US\*Amazon UK\*Barnes & Noble\*

*“I saw you, and I want you.*

Tina ran from her abusive ex six months ago and has been hiding ever since. She moves to a new city and

tries to start her life over again. There she meets Ardan, a.k.a Irish, and he puts himself in her new life. When they first meet Tina tries to escape his advances, but Ardan makes that impossible and pursues her in a way only a badass biker can, and soon they're in a relationship that she isn't scared of. But when her past comes back to haunt her can Tina and Ardan survive it?

*Dirty Ride* was a fast, sexy, very fascinating story that I thoroughly enjoyed. Ardan was so sexy, and his first meeting with Tina made me swoon. I loved how possessive he was and wouldn't let Tina run from him when she got scared of their relationship.

I did like Tina, and thought she was a strong person to leave her life behind like she did. There were moments where it got a little annoying when she kept questioning how Ardan felt for her and wondering if he would turn out to be bad too. But past those issues I did like her and it was interesting to see her remaking her life.

I've loved this series from the very beginning. Chantal Fernando is a newer author for me, but once I discovered her books I fell a little bit in love. I can't get enough of the world she creates in all her stories, they're all really believable and entertaining.

Overall, this is a great book that I highly recommend. The chemistry between Tina and Ardan was both intriguing and sexy, and I couldn't get enough. Though I do suggest reading the whole Wind Dragons MC series, this novella could possibly be read as standalone.

\*\*\* ARC kindly provided by the publisher Gallery, Threshold, Pocket Books, via NetGalley, in exchange for an honest review. \*\*\*

Valentina finally manages to escape her abusive husband. When she reaches a place she wants to try for a new start, she meets hot, alpha, bad-boy Ardan (aka Irish). She isn't ready for a new man yet but will she be able to resist his charms? Will the past catch up? I won't tell more because this is a really short book. A little too short to really connect with the characters. It was definitely a fun read. MC books is one of my favorite genres and I really loved Ardan. I'm not too fond of insta-love so the love declarations went a little too fast for me...

I definitely want to read the previous books in this series!

---

### **Deborah says**

This is short read at only 104 pages it features Irish who's been in the background until now, he gets mentioned a lot but we don't really know anything about him.

I really liked both Irish and Tina from the get go and I enjoyed their book, it made a nice change that any issues they had didn't come from other women/club whores.

I always seem to be finding fault with something but this book should have been longer, with Tina's backstory and the mystery that is still Irish there would have been enough for more.

These two were great, open and honest and I clicked with them both straight away I felt the issue with Darren however was rushed I mean would he really go to all the effort of transferring only to uproot and go back a couple of weeks later. Plus the warehouse scene I know they're apparently dirty cops but would they really all be there for him when he's new and high, I know apparently dirty can sniff out dirty but he's only been there a few weeks would all the dirty cops be so easy for him to recognise? Is there a club?

---

### **Geri Reads says**

Short, sweet, and sexy.

If you're in the mood for those three things then you're going to enjoy Dirty Ride.

Tina is on the run from an abusive relationship trying to start a new life. Then she meets Ardan AKA Irish, and suddenly, all bets are off. Despite being part of a motorcycle club, Ardan is a full on protective alpha. He's sweet and like most alphas in this category, he doesn't take no for an answer. And he quickly dismantled Tina's reservation.

I actually enjoyed the heroine, Tina. She's very forthcoming and despite her unfortunate past, she didn't let it get in the way of enjoying her new life and opening herself up to Ardan. There was no drama between them. Both acted like adults who know what they want and went after it. Sure, there were issues regarding Tina's psycho ex but because both characters have established trust between them, these issues were almost negligible in the grand scheme of things.

Which is probably why I didn't love this book as much. It was okay. It was sweet and the sexy times were plentiful but not overwhelmingly so. But the conflict overall was a bit weak. There wasn't really a lot of development between the two main characters but since this is a novella, I could understand that and could give it a pass. I wish there was more though.

Despite that, the experience reading this book was a positive one, and I highly recommend this book to readers who love their romance sweet and low-angst.

---

### **Loz says**

this was a quick read which i enjoyed quite a lot. i wish it was a full length book within the series. like others, i thought the story was definitely there and had it been fleshed out a bit more, i would have 5 starred it easily. i liked both the heroine and hero and it was nice seeing our previous couples within scenes. this was a fun little addition to the series.

---

### **Maria... says**

This was a nice reading!

**"If you think that hoodie hides your beauty, your fuckin' dreaming."**

I really enjoyed this book!It was a short sweet and dirty story with great characters and an opportunity to find love once again!

I liked Ardan (Irish) and Tina they were a good couple!They completed the pieces that were missing in each others life.Ohaha and there were a lot of pieces missing....

Ardan was an alpha male and a badass MC member of the Wind Dragons club who would do anything to protect his old lady!And Tina was a sweet and sassy woman who went through a lot because of her ex!Now she is in a new city and a new life trying to leave everything behind her and moving on in a life with a possessive, sweet, gentle and loving man.

**"I'm not going to let anything happen to me,  
not now that I have you."**

Ohaha aren't you sweet...?????

Ardan was a sweet gentleman by day and took her on dates to get to know her and a hot biker by night making her all dirty between the sheets...

**"Valentina.You should probably stop touching me,  
unless you want to cancel tonight,because I'm about to  
lift you against the wall and fuck you."**

**"We better go then.But when we get back,I think our first  
time should be on the bed.Then we can try the wall."**

**"Those words coming out of your beautiful,pouty mouth.  
Fuck.We better go before I give you exactly what you want,right now."**

I liked that we read about the other members of Wind Dragons from the previous books!

The only thing that bothered me is that I wanted a longer story!

I wanted to see more of them now that they had their HEA!!!That's all!

xxx

### **Cristina says**

I have just two words to describe this book...

I'm a big fan of this author and this series but this book (that's actually a novella) felt too rushed and I got a feeling that she wrote it just to get something out there and not disappoint the fans...but it had (for me at least) the exact opposite effect...

I would have preferred to wait longer for a book then get something I'm really not happy with...luckily it was an arc and I didn't have to pay for it...cause then I would have really been pissed for throwing money away...

Hopefully the next novel in this series will be better cause I'm not giving up on the Wind Dragons MC series or on Chantal Fernando...I love them all to much to do that...

So I can't wait for Rake's story...June 28 can't come soon enough...

### **Chris C - A Midlife Wife says**

I have to admit I was a little disappointed in this story. I really was expecting a full length novel not realizing that this was a novella. I had previously read Tracker's End and really enjoyed that story so I was looking forward to more about Wind Dragon Motorcycle Club.

I really wish this book was more developed think it would have come across much more to my liking. There is so much more depth of characters and so many places that the author could have taken the story. Don't get me wrong. I really, really love Irish (Ardan) and Valentina together. They were so sweet.

You don't really get much about the club itself as this is mainly a story about these two and it is a wonderful story - sweet and and definitely enjoyable. Ardan is a strong, alpha male that knows what he wants. I think he overwhelmed Valentina in many ways to get what he wanted but they worked well together.

The author is a talented author that knows how to create beautiful stories that suck us in. This was a really great read as a novella to the series! I just wished it was longer.

### **Gi's Spot Reviews says**

4.25 Stars

Review to come...

---

### **Paige says**

4 "Irish" Stars

Book 1, Dragon's Lair, was one of the best books I read last year. With strong and sassy heroines, sex on a stick, alpha heroes and suspenseful plots, Chantal Fernando has created an alternate reality that I love to get lost in. And she did it again with the Dirty Ride novella. I loved being back with the Wind Dragon's MC in this quick, sexy and sweet read.

Ardan or as his MC family knows him, Irish, has always been a bit of a mystery in the previous installments. With his big scar and quiet intensity, watching him unfold was a pleasure. And watching him fall for Valentina was so sweet and scorchingly hot.

Tina is running from her abusive ex when she finds herself across the country looking into the eyes of a guy she knows is probably bad news but can't seem to look away from. Finding out that he's in an MC is another reason to stay away, but she's unable to look away from the dark and brooding Ardan who has only ever been perfect to her. As their relationship blossoms, she realizes that her past isn't as far behind her as she'd hoped.

With her trademark humor and chemistry, Chantal wrote another sweet and sexy installment. This quick read gave me enough of my favorite MC to tide me over until the next installment.

ARC provided to A is for Alpha B is for Books for honest review.
