# Highlander's Stolen Destiny

Alisa Adams

**Highlander's Stolen Destiny** Alisa Adams

**Love never ceases in the Highlands it goes on and on from generation to generation.**

Brave Alastair Macleod and his beautiful Mary are back in this lovely standalone story; only this time it is their eldest son who has found love.

Can it survive in a period ravished by war?

Only raw courage and belief will prevail as the English capture Brice Macleod and his father after the ignominious defeat at Neville Cross.

**Will Brice ever see Skye again? Only destiny can tell or maybe the benevolence of a king and his son will decide the course of fate..**

## **From Reader Review Highlander's Stolen Destiny for online ebook**

### **Audrey says**

#### **Entertaining**

I enjoy reading about the clans and their energy, pride and fighting spirit. The story was good, a lot of action and of course, romance.

---

### **Geraldine-Bub Fink says**

Enjoy all of the books that I have read, including Highlander's Stolen Destiny. With this book, and every book, I can't get to the epilogue. It isn't included at the end of the books. I have followed the directions given, but can't find the page. My browser always says page not found. Until I can read the books in their entirety, I will not read the rest of the series.

#### **Excellent**

Another wonderful story, a book you couldn't put down. Each one of the authors books get better and better. Keep writing

### **Emma says**

I didn't enjoy this as much as the first but it was an ok read.

One thing that does annoy me is having to fart about downloading the epilogue to this and the author's other books ?

---

### **Mary Ann says**

A wonder novel to read full of adventure, love, twists and turns will not let you put the novel down. I enjoyed the author's description of the country that it was written about and her wording felt like you were there with the characters.

I look forward to more of her great works!

### **Catherine Tijerina says**

I rated Alisa's story a 5 because as usual it did not disappoint. Reading her ? books is like reconnecting with an old friend. She takes you from one family member to another with lots of adventure and romance. This story is about Doogle and Louise. I would definitely recommend it to anyone interested in a great read. I received this book free as an ARC in exchange for an honest review.

### **Mary Hamrick says**

I loved this book. Alias Adams has done it again. I felt everything the characters felt. It was great reading how their journey turned out. The hugs and lows. The love. Such an amazing book . Can't wait to read more from her. I have several books of hers to read and a few more to get so I can read them. Thank you Alias Adams for such amazing books and faint wait to see what else you have in store for them and other books.

---

### **Rebecca showers says**

#### **Strong characters and good dialog**

This is good story. Readers who are in the their 40's and 50's will love the adventure, drama and humor this story offers. The Scottish brogue is fun to read also.

### **Myla Aguilar says**

## **Love this Highland story**

This is the 2nd Book in the Clan MacLeod and continues the family line of Alistair and Mary. The author has well written characters, great detail on the areas of that period, along with romance and some action, which is my kind of book. I definately recommend this series.

The Young Laird's?? Fairy Princess?

Scottish Highlands, Circa 1346

Laird Alastair's nineteen year old son, and his heir, Brice Macleod??, has found his fairy ??Princess and one true love, in the form of Skye??. She is the free spirited daughter of Mungo, Alastair's right hand man and best friend. Brice?? asks Skye?? to marry him!

Bruce?? and Skye?? grew up together and have always been bffs, running through the Heather and up and down the emerald hills around Laird Alastair's castle, Diabaig. Skye??? grew up learning to fight like a warrior?, no embroidery, sewing, or cooking lessons for her!

Mary and Alastair( Their wonderful story is told in the "Highlander's Stolen Wife"?) have three sons, Callum, Doogle, and Brice????. Time has been good to them, Mary is 37 now.

Her twin, Elizabeth, has come to tell her of their father, Lord Leighton's passing. Since Elizabeth is now a childless widow and neither woman can inherit, Lord Leighton's title, castle and lands will pass to Brice????.

Can Brice???? be both a Scottish Laird and An English Lord? Does he want to be both?

The book? explores the conflict that Brice???? feels between his two heritages. His love, Skye???, only knows she is Scottish through and through and she will not live in North Umbridge, England in the Leighton castle.

ARC Received from The Author for a Voluntary and Honest Review.

Loved? this Adult epic historical tale of true love? and the meaning of family, kin, and right and wrong.
