**Julian** Gia DeLuca

\*This novel is the prequel to JUDE (Beautiful Mine #2)\*

When Evie Cawthorn accepts a job as a private nurse to a terminally ill man, the last thing she expects is for sparks to fly. Julian is as infuriating as he is sexy and a powerful attraction quickly develops.

But when Julian's wealthy family makes false accusations against Evie, the two are forced to flee if they want to be together. They are young, they are deeply in love, and they are determined to keep the world they have discovered in each other.

Reality, though, is harsh. An ominous threat from Evie's past resurfaces, and Julian's health is failing.

**AUTHOR'S NOTE:** This is a prequel and not a standalone. Book #2 (JUDE) is available now. Book #3 (JAMISON) will be a standalone. All books releasing January 2015. Intended for mature readers 18+ due to adult situations. A different version of this story was previously published as "All of My Days" by Jessa Jeffries. This is a new adult/contemporary love story.

If you love a happy ending then this book is not for you. But, if you love a book that is very well written, has a great story line, makes you happy and sad all at the same time...then this book is for you! I loved this book! Everything from the happy parts to the sad parts and everything in-between. I can't wait to read book 2!!!

#### **Good**

Plot: A

This was a plot line I haven't read before. A nurse falling for her dying patient. A book like this when the forbidden is happening, constantly on your seat waiting for something bad to happen, because you know eventually it will. There was no HEA, which I already knew because it goes on for book two. It did have my throat burning at the end. But I wasn't heavily invested enough in the characters to cry real tears.

Characters: C

There were things that Evie did that rubbed me the wrong way. Like, I can't believe she went on a date after putting Julian in the ambulance to go to the hospital. And I knew that Julian lived Evie because she showed it. But I had a hard time thinking that Evie's feelings were as deep. She was always quick to leave Julian's side, even while he was in the hospital. Even going out. And when something traumatic happens, it barely phases her, and only a couple of pages are spent on it.

Sex:C+

Decent scenes

Overall, this could've been better, but it was still pretty good.

DNF at 48%..I'm just not engaging with this story. Writing is OK, but I'm just not connected enough :(

A few moments in time too beautiful to last.

That's the first thought that comes to mind when I think of Julian.

Evie is a newly registered nurse hired by Julian's parents to take care of him as he suffers from Cystic Fibrosis. I initially thought that this story was not going to work for me, just wasn't sure how to find romance out of a nurse and a sick patient but honestly, I was truly surprised to see how easy and beautifully the author was able to make your heart jump.

My only complaint was that I believe this story should have a lot more meat to it. Everything happened so quickly, it felt somewhat unbelievable. I wanted more angst and I felt like certain events should have happened differently (though I'm no the author so I guess my vote doesn't really count).

Julian is sick. He's sick of being looked at with pity and sad eyes. He's sick of his parents treating him like a burden or a pet rather than a 24 year old man. Then he meets the beautiful Evie and starts to emerge from his shell. He finds laughter, smiles and happiness with Evie.

Evie knows it's wrong, she knows there is a patient/caretaker line she shouldn't cross but when it comes to Julian, well the heart wants what it wants.

This ends on a bit of a cliffhanger and broke my heart (a tiny bit) but I couldn't wait to move on to the next book and see what happens when she meets him...

SPOILER ALERT: If you're really bad at guessing what's going to happen in your books, then this might be the book for you.

This was totally predictable, right down to the last chapter. I only read this because this is the prequel to Jude, which confused me a bit until I went back to this one. And now Jude just seems ridiculous.

Evie is Julian's nurse. Julian doesn't get out because of his illness and Evie shows him how he can live even though he's dying. They fall in love, and elope, and he dies.

How does Julian NOT tell Evie that he's got not one, but two older brothers???? Ugh.

4 Stars!!!

Aww really liked this book, Julian was the sweetest thing ever!!

Evie was all over the place most of the book, I just never had the feeling she really loved Julian, but they were happy most of half of the book :)

OMG what a story! This was my first book to read from Gia DeLuca, and most definitely will not be my last! I don't even know what to say right now. This book had me torn apart in so many different ways, but I wouldn't change it for anything!

#### **0 stars but still 5 star.**

I think when Gia DeLuca was writing this ,the taught must have been some thing like this.

Never cried after reading a book so much that my dog face is screaming stop you water fall now.I hate those books in which the hero dies.

Hell this book was one that I would never forget even if I die because it taught me one thing Death is never to be taken for granted we all will die don't know when that day might come we might die like Julian at the age of 24 and might have 6 months in our pocket to enjoy what ever we can.

Julian never had a life thats what I can think about his life which he was living .Until Evia happened to him .She changed his life she was his first in everything.God that made me feel this is the best book I am reading but mirrors are very sensitive they get shatter easily.

Evia was a nurse who just got a job of a nurse .She did not know who would she take of or what she was hired for other than the information that she had to nurse someone.But Julian came in her life and went away life a dream.Shot life or maybe she was just a pawn of Julians destiny.That would be better in your own perspective .

The only thing I hate is julian dies his death was a shock to my system.The only thing that came out was WHY.But the answer was clear .Every one leaves.

I actually loved the letter by julian in the ending of the book 2 which had all the answers of my why.

the story is heartbroken. Julian, a guy who sickness all the time, he was being force to stay in home because his sickness until the nurse, Evie came into his life.

i am sure Julian always understand how short his life will be so when he had chance to face the real life, he just did, shared his last happy time to Evie, put her out of money trouble, get married, taking a chance to be father even they lost the baby in final.

i thought Julian maybe happy because even 24, he did have some good memory before he left the world, the heartbroken thing is he left Evie forever, and let her being alone to miss him.

Julian is the angle of Evie and so did Evie. I thought about die in young age may not the worst, because u never know how bad the life it is.

### **Good read**

But, there were lots of editing issues. However, these errors do not detract from a beautiful love story. I gave a four star rating instead of five because the sex scenes were too explicit for my taste.

Το βιβλίο αυτό το ξεκίνησα από την πρώτη και ΔΥΣΤΥΧΩΣ, αφού είχα μεθει το τέλος του. Ξεκίνησα πάντα με μια ψυχολογία και πως παρατίθενται, αφού ξέρα πως στο τέλος ο πρωταγωνιστός πεθαίνει..

Το 60% περίπου δε διαφέρει από οποιαδήποτε ιστορία αγάπης αν μεσά σε δύο νεανίδες - να σημειωθεί πως δε μου αρέσουν οι ιστορίες που οι γυναίκες είναι 20 και κάτια προτιμούν πιο

"?ριμους" - αλλ? τ?σπα..Μ?χρι τη μ?ση του λοιπ?ν και λ?γο παραπ?νω κυλο?σε ουδ?τερα.Μ?νο στα τελευτα?α κεφ?λαια,?ταν η αρρ?στια του Julian ε?χε προχωρ?σει αρκετ? και πλ?ον ο δρ?μος δεν ε?χε γυρισμ?,?ρχισα να νι?θω τα μ?τια μου να τσο?ζουν.Να κλα?ει η Evie,να κλα?ει κι η Χρ?σα...Δηλαδ? εντ?ξει,π?σο δ?καιο ε?ναι να φε?γει ?νας ν?ος ?νθρωπος,μ?λις στα 24 του,κι ακριβ?ς ?ταν η ζω? του αρχ?ζει να φτι?γνει επιτ?λους κι εκε?νος να νι?θει εντυχισμ?νος;!ΚΑΘΟΛΟΥ ΔΙΚΑΙΟ!

Τα τελευτα?α λ?για του Julian προς την Evie ?ταν "Θα φροντ?σω να νι?θεις αγαπημ?νη π?ντα,ακ?μα κι ?ταν εγ? θα ?χω φ?γει.Καλην?χτα, αγ?πη μου." Αυτ? το "καλην?χτα,αγ?πη μου" ?ταν που ?νοιξε τις βρ?σες...Μιλ?με για ΤΟ ΚΛΑΜΑΑΑΑΑ!!!Ε?χα καιρ? να κλ?ψω ?τσι,αν και πρ?σφατα δι?βασα ακ?μα ?να αγαπημ?νο βιβλ?ο που με ?κανε να τα μπ?ξω για τ?σες ?ρες που ?νιωθα πως στ?ρεψα,και γι' αυτ? παραξενε?τηκα που ξαν?κλαψα τ?ρα,με αυτ?.Δεν π?στευα πως ε?χων προλ?βει να 'γεμ?σουν' οι αδ?νες μου γιατ? σπ?νια κλα?ω. ?ταν ?μως ανακουφιστικ? το συνα?σθημα μπορ? να πω, ?,τι ?πρεπε για να φ?γει αυτ?ς ο κ?μπος που ε?χα στο λαιμ? στα τελευτα?α κεφ?λαια.

?σα που δι?βασα τον επ?λογο, ο οπο?ος ουσιαστικ? σε "μπ?ζει" στο δε?τερο βιβλ?ο.Προσωπικ? δεν ?χω πρ?βλημα να διαβ?σω μια ιστορ?α ?που ο ?νας πρωταγωνιστ?ς ?χει ζευγαρ?σει με αδ?λφια,αλλ? μ?νο ?ταν το πρ?το 'ζευγ?ρωμα' ?γνε χωρ?ς ?ρωτα...Δε μπορ? και δε θ?λω να σκεφτ? ?τι η Evie θα ξεπερ?σει τον ?ρωτ? της για το Julian με το να ερωτευτε? τον αδελφ? του.Η ζω? συνεχ?ζεται και εννοε?ται ο καθ?νας μας μπορε? να την ξαναφτι?ζει μετ? απ? κ?τι τ?τοιο,ΕΠΙΒΑΛΛΕΤΑΙ να το κ?νει θα ?λεγα,αλλ? με τον αδελφ? του εκλιπ?ντα; Too much for me,sorry...

Αν δεν ?χετε πρ?βλημα με τα σπαραξικ?ρδια τ?λη,να το διαβ?σετε..Αξ?ζει! :)
