## My Love: The Perfect Catch Jim J.J. Anthony

Jason has dark eyes and a gorgeous smile that wins the heart of every woman. Lucky for you girls, he's one of the good ones, honest, trustworthy, and very good in bed. He remains a classy gentleman no matter what position you end up in or what little clothes you're left with. He's looking for the perfect catch and finds her in a grocery store. They have hot sex with squirting orgasms and both fall deeply in love with the other. They hang with movie stars and go around the world building Children's Hospitals. They encounter trouble deep in the Congo and have to use their wits to defeat a group of poachers. It's an action packed novel with dozens of steamy sex scenes.

# From Reader Review My Love: The Perfect Catch for online ebook

## **Tylene says**

I finished this book - it kept my interest. It was kind of Strange in a way, I will read more of your books and I will recommend this book to my friends.

Thanks,

---

## **John says**

This starts out with some good potential that might develop over the series.  
The twin brother, being a thread left dangling  
Still, Jules left here old life without saying goodbye? She had a promising future and walked away.  
Maybe too many name droppings from George Clooney to Bono. Detracted a bit.  
Slow build up to the sex, which was good, but then it seemed like there was too much?

This was a few viewing. Thank you

---

## **Aryana says**

I won this book in a Goodreads giveaway. Review will be added later.

---

## **Mia Couture says**

I won this book on a good reads giveaway in exchange for an honest review. This book was Okay. It has A LOT of sex in it and maybe that is a good thing for some people but I found most of the scenes to be over the top and unrealistic. I liked the way the story developed before Jules and Jason had sex. But once they did it; it seemed like that was ALL they did.

## **Russty says**

Won as a GoodReads's Giveaway...

"Nasty" sex scenes... If you're looking to rise to the occasion, you can get that here... Writing, reminiscent of a inexperienced 16 year old writing to Penthouse Forum. In dire need of an proofreader, misspelled words, misused words(and I don't mean artistic license)...

I gave it one star "only" because I read it...
