## Naughty or Nice Eric Jerome Dickey

This winter, the *New York Times* bestselling author spices things up with something hot. In *Naughty or Nice*, Eric Jerome Dickey explores the lives of three sisters, each with their own man problems. But this holiday season, Frankie, Livvy, and Tommie McBroom are not only getting together, but finally gettin' it together-and discovering what family, sisterhood, and love are all about.

## **From Reader Review Naughty or Nice for online ebook**

### **Ka'leneReads says**

I like the appearances and connections of the collection of characters by Dickey. The twins from one of the novels I've yet to read are mentioned and the plot of twist of the appearance of Panther, one of my favorite female characters by Dickey, had me happier at the end. This makes his books that much more enjoyable. I'm currently reading Naughtier than Nice and one of my favorite male characters Driver has popped up on the scene....I love it.

#### **Oldie but goodie**

I was late to the party but once I saw there was a sequel to The McBroom Sister saga I couldn't contain my excitement lol This is my third time reading this book. I just love EJD!!! Ok...lemme see if Frankie gets wit the brotha from Birmingham?

---

### **Jerome Pritchard says**

This was a very entertaining book. I couldn't put it down from the very first page. Drawn into the intricate lives of these women, I felt I became a part of their lives. I laughed and cried and enjoyed every moment of it. What made this book for me was the close bond these sisters had. They had a great relationship and stuck together even when life got tough. I'm grateful for reading. I highly recommend.

TBR Potluck Challenge

---

### **Bernita says**

I loved the relationship between the sisters. It was authentic and funny and heartwarming.

---

### **Carol Hornsby-mccoy says**

Very good read. I wasn't sure when I first picked it up, but after the prologue I was sold. I loved the relationship the sisters shared and there support they shared for each other. There bond was arable. There trials of lost of loved ones and broken relationships was noted and familiar. Great ending!!!

### **C Will says**

The premise of this book was great, but it just didn't quite make it there. The book was obviously written by a man from the female perspective and I wonder why he didn't write a book about three brothers instead of women. The storyline was interesting, but it was hard to follow and two of the sisters, who I think were twins, were too similar (and the twin fact was given way late in the book or mentioned in such a way it was a detail easily missed). I enjoyed the display of culture, however. It definitely took me back to the 90's while living in 2018. The references were ones that would make you smile from locations to speech, to the state of the black community at the time.

### **Elise Randall says**

Wow

---

### **Annalicia Taylor says**

I must say I did enjoyed reading this book. I love the relationship between the three sisters, especially the way that they look out for each other. My favorite was Livvy because she mostly reminded me of myself. And as always I'm always hoping that there would be a book two waiting for me to read. I personally think that Eric should have continued the novel into the New Years, because I wanted more.

---

### **Tiara says**

Audiobook. Really loved the narrators telling the story. They managed to bring the sisters to life for me.

---

### **NANCY BERNADEL says**

#### **Boring!**

Very slow in the beginning. Only got better the last few pages! To slow to reveal details or background of the characters. I only kept reading because I love most of this author's book. But this was NOT my favorite book from this author.

---

**April says**

Leaves you wanting more...

---

**Joann says**

It was ok an interesting read

---

**Nicole Bedford says**

Man who would have though that we would get to know exactly who the twins were that was mentioned when Frankie was talking to her sisters...lol. I read Pleasures before reading this one so when they mentioned Frankie and then reading this one they mentioned the twins....I was in awe of this man all over again. He is such an amazing talent when it comes to pen to paper and I absolutely adore his work. Another good one from Dickey!
