Rosa Cline says

This is a fun Paw Patrol adventure to find Captain BlackFurs treasure. Ruble has always wanted to be a pirate pup and so he's super excited to help out and find the treasure.

Racquel says

Based on S01E26 "Pups and the Pirate Treasure." This book is made in the Little Golden Book style instead of the more common paperback and Step into Reading books that seem to be popular lately. The pups didn't realize saving Captain Turbot would mean they would end up going on a treasure hunt.... and finding it! Rubble especially appears to enjoy this adventure if his pirate hat is any clue. Another cute addition to the Paw Patrol collection for young kids.

Katie Cat Books says

Great book for boys, you don't need to know the television show to enjoy this short, action-packed book.

Star says

very nice

Jessica says

Cute, but a little longer than I thought it would be. Even my daughter listened as I read to my son, and she came up with theories about Blackfur.
