## **Squeeze Me, Please!: I'm a Hucow!** Michelle 'L' Taylor

After a genetic splicing accident renders Marika a half-cow human, she grows super large breasts full of milk, and sells her wares off to those who want the experience of milking her for it. Men and women are welcome to come down to her booth and give her a squeeze. Today she is giving a journalist a one-on-one exclusive interview, which may just end in a little demonstration of her abilities... possibly including the one to 'share' her condition!
