## From Reader Review ???? ???? 2 [Kadal Pura] for online ebook

### Madhana Balaji says

love it, but still not like the first Part.

---

### Dinesh says

Sandilyan has this habit of making the book interesting in its last league. Slow, boring and dizzy. But the last 100 pages will do justice to the hype.

---

### Srikanth R says

As good as the first part.. cant wait to read the 3rd part.... sandilyan never ceased to amaze me...

---

### Sampath Kumar says

?????????????? ??????? ??? ??????????????, ?????????? ?????????????? ???????, ??????????  
????????????????????? ???????????.

---

### Saravanan Meivel says

awestruck story telling method,hooked us intentionally from beginning to end..going to start next book in few seconds..

---

### Sudhakar D says

Nice..

---

### Peter says

Supper

---

## **Chiththarthan Nagarajan says**

Best of best!

Kadal Pura is a book about enthralling adventures of Karunakara Pallavan alias Illaya Pallavan who was a General of Chola army.

Sandilyan mesmerized me, I totally loved the thrill, anticipation and the twist(*OMG*).

Must read book for classic tamil literature lovers.

---

## **Velusamy says**

Awesome service

---

## **Ram says**

Nice portrayal of characters, however one irritating thing about Sandilyan novels is that in the middle some interesting sequence of events the story digresses into something unrelated and goes into a sort of mega-serial mode dragging some unrelated conversations and narrations. However on the whole, the novel becomes fast paced and interesting, plots unfolding and mysteries unravelling which makes it a class apart. The details about the Tamil, esp Cholas, ship building skills and technology is quite amazing and without that skill and understanding of the trade winds, it would have been impossible to have conquer the south-east asian countries by Raja Raja Cholan and Rajendra Cholan

---

## **Vishnu sriram says**

WO derful novel

---
