## A Shot of Magick Rhyannon Byrd

Lachlan McKendrick possesses a renowned sexual prowess impressive among even his own kind. But when the Scottish Warlock's elders decide it's high time he stops sowing wild oats—and starts planting some family ones—Lach gets a load of magic unlike any he's ever known.

A curse is placed upon his head. One that has some rather surprising effects on his legendary sex life—and the only solution is to find his *bith-bhuan gra*, or soul mate. He *should* be out searching the world for her, but he's not. Instead, he's become obsessed with a feisty American who doesn't even know what he is!

It's bad enough that Lachlan can't get the blasted Yank out of his head, but she's mortal—and he doesn't do mortals. At least he never has before. But the Scottish stud soon discovers that Evan Hayes has a magic that's all her own: a woman's power to go after what she wants. And what she wants is a certain rugged, mouthwatering, danger-written-all-over-him badass.

Look out, Lach. The little human is about to bring her A-game.

## Raine says

### Short series

It looks like this was a short story written when Ms. Byrd was with EC. I know the 2nd book was out and part of an anthology, but it doesn't look like it has been released yet. Hopefully she continues this series as it seems interesting and am hoping to learn more about Lachlan's cousins and his family.

## Melissa Williams says

This was a super quick read but it was HOT! If you're looking for a bit of magic, a lot of steamy kisses, and a generally decent plot line then I would recommend this book.

## Sophia Triad says

Lachlan is cursed. Every time he sleeps with a woman, she is transformed into an animal. This has already been happening for a long time (driving Lachlan crazy) and it will continue happening until he discovers his soul mate.

I thought the idea is original. It kind of reminds me of the movie "Lobster" by Lanthimos.

Unfortunately I did not like the execution. I would like the author to play more with the idea about this curse. In the end, the book was just another short, cute, smut book which I did not really mind because I like this kind of books.

It is just I was expecting something different.

#### **Super sexy erotic paranormal romance.**

Lachlan McKendrick is a powerful Warlock with a serious problem. Thanks to a curse the family elders has placed on his cock, the women in his life turn into raving animals - literally! Until he finds his mate, he's doomed to keep turning women into animals each time he shoots his load. Not only is he frustrated by the curse, but he's recently become obsessed with a mortal woman. He's never been attracted to mortal women, so he can't figure out what it is about Evan that keeps drawing him to her.

Evan Hayes has been drawn to the big powerful man since she first laid eyes on Lachlan McKendrick. She's just not certain that he's completely human. There's just something Magickal about Lachlan, thus her nicknaming him Magic Man. She's just been waiting for the right opportunity to get to know him better, so when a customer gives her two tickets for an event, Evan decides it's time to pursue Lachlan. Little does she expect the animosity he dishes out.

After being blasted by Lachlan, Evan isn't sure she wants to pursue Lachlan anymore, but she gets help from an unusual source - Lachlan's cousin. With a little help and a strong determination to get what she wants, Evan embarks on a journey she hopes will bring her her hearts desire. Little does she know what's in store for her.

Combine a cursed Warlock, a feisty heroine, a gaggle of old nosy geezers/elders and a matchmaking cousin and you get a great comedic read that will leave you wanting more of Ms. Byrd's Magick Men.

A quick, fun read. Warlock Lachlan has been hexed with a curse by his elders, every woman he beds that is NOT his soulmate, will turn into an animal. Now he's given up on his sexlife, but he can't keep away from the coffee shop and Evan, the gorgeous human woman, who'd never survive what he wants to do to her. So he keeps his distans, just watching and longing. Smut and Magic.
