Some of theses characters had me rolling! Whew laughing my ass off.  
Loved the vampire stories but when dont I.  
Heated, sexy, raunchy, fun, naughty, dirty...  
Not for you light weights for sure.  
Would I recommend it?  
Depends on who I am talking too.  
Wink wink.

"It's tough for story anthologies like "Gangbangs Galore (12 Hot Gangbang Stories)" to get high ratings; while most are hot, a few not. Of the male/male sets, I thought "Leader of the Pack," and "Tales of a European Gangbang" were the some of the best offerings. The visual imagery just did it for me. If I had to pick my favorite overall story though, it would be, "Groupie Sex", with its mix of Femdom, forced male/male, etc. Overall a worthwhile read.

### Heather says

1 Star if you rely on character development and a actually story. 5 if you want sex, sex, and you guessed it more sex.

This collection of 12 "gangbang" stories is high on smut and little on character development or story, but that is alright because that's what I expected and it was alright.

I did a more in-depthish review on Amazon.com if you want to check it out, it should be up soon.

Finally finish reading this book. Since it's free on Kobo, why not just give it a try.. But I don't feel connected to the stories as I feel that it is too R-rated for my taste. So end up, I just briefly read through some of the stories.

### Sandra says

Stroker Chase: Fuck Scouts: Lesbian Gangbang (F/F Gangbang)

Layla Cole: Entertaining Vampires (M/F Gangbang)

Jessi Bond: Leader of the Pack (M/M Gangbang) - **3 stars** This was alright. A lot of set-up, which is fine. Although once the smexin started it was kind of unoriginal. No position changes, no dirty talk, just one after the other fucked him up against the tree and came on his ass.

Rachel Chase: Office Sex Slave 2 (M/F Gangbang) - **3 stars** Well I have to admit, this was pretty hot. Of course the set up is completely ridiculous, this would never happen in an office setting, but that's kinda the point. I take a little offense to Miss Tucker being an irresponsible bimbo, because there's clearly some sexist stereotypes going on... *but* at least they threw one woman in on the other side of the gangbang, and that's just the set up of a naughty girl needing to be taught a lesson, so take it or leave it. I tend to prefer more dirty talk, and it was near silent during the entire bang (which is totally unlikely) with just Miss Tucker's inner thoughts, but it worked well enough.

Veronica Bates: Love In Her Mouth (M/F Gangbang)

Deirdre Bonneval: Angry Slut in Anger Management (M/F Gangbang)

Catherine DeVore: Locker Room Gangbang (M/F Gangbang) - **2 stars** This was OK. I guess it's supposed to be sexy that the guys think they're blackmailing her but really she's a big slut and into it... but that makes it a little cheesy and typical porno for me, I guess I'd just prefer her be all nervous and then *reluctantly* turn into a big slut and be into it. See the difference? :)

Lula Lisbon: Groupie Sex (M/M/F Gangbang)

N.S. Charles: Hot N Ready (M/F/F Gangbang)

Annabel Bastione: Holographic Fuck Party (M/F Gangbang)

Polera North – Art School Gangbang (M/F Gangbang)

C.M. Knox – Tales of a European Gangbang (Gay Group Sex Erotica) (M/M Gangbang)

Most hot, a few not. I thought "Leader of the Pack," all male, was the best of the bunch. Something about it just did it for me.
