Gift and Task: A Year of Daily Readings and Reflections Walter Brueggemann

The God whom we meet in Scripture is one who gives generous gifts in the wonder of creation, in the miracle of emancipation and reconciliation, and in the surprise of transformation. We are invited to receive those abundant gifts on a daily basis, with a posture of anticipation, awe, and gratitude. In response, we accept the worthy task of daily discipleship.

Gift and Task is an original collection of 365 devotions by best-selling author Walter Brueggemann, providing the opportunity to consider in critical ways the cost and joy of discipleship. Perfect for daily use, this book begins with the First Sunday of Advent and provides insightful reflection and thought-provoking commentary on the Scriptures for each day of the year. Brueggemann guides disciples with wisdom and encouragement for our never-ending walk along God's challenging, grace-filled path throughout the Christian year.

I am reviewing a copy of Gift and Task through Westminster John Knox Press and Netgalley:

In this book/devotional we are reminded that the God we meet in Scripture is a giver. We are reminded that the Lord is generous.

We are also reminded that God wants piety but not false piety. The book reminds us too that God's love is not unconditional, but he does love us so much he sent his son to die for us.

This devotional has 365 original reflections from well known and best selling author Walter Brueggemann.

This devotional gives you the opportunity to consider in critical ways both the cost and joy of discipleship.

If you are looking for a good devotional that allows you to delve deeper into Faith and Discipleship.

I give Gift and Task five out of five stars

Happy Reading!

I won a copy of "Gift And Task" on Goodreads First Reads. I recommend this book to anyone who likes their devotionals deep. It took me a long time to finish this book because of the deepest and the need to think for awhile about each devotional. My two favorites and Tuesday After Easter 7 which talks about discipleship and Friday After Proper 24 which talks about the mystery of God.

Gift and Task by Walter Brueggemann contains a year's worth of readings based on the Scriptures. The readings in this book are short and perfect for reading on a daily basis. Like this author's other writings, the selections are pretty simple, yet deeply profound. I highly recommend this book to anyone who seeks to explore God's amazing gifts and what He requires in return. I received a digital copy of this book from the publisher in exchange for my honest review.
