## How to Live: Wise (and not so wise) Advice from the Philosophers on Everyday Life Martin Cohen

- What techniques can you use to make people fall in love with you?
- Is there a philosophical answer to that eternal question: What should I eat for dinner?
- How would Aristotle really run General Motors?
- And where can we find the secret of happiness?

Ten thought-provoking 'life lessons' based on seventy five tasty tit-bits of philosophy, drawn from the writings of the Greats. How to Live offers not only tips on life's eternal questions, but a tasty entrée into philosophy.
