## From Reader Review **Kare Kano: His and Her Circumstances, Vol. 5** for online ebook

### **Loren Dushku says**

[<http://tomorrowisanotherday.altervist...>]

In questo volume si nota la quasi totale assenza del protagonista maschile, che lascia in primo piano la protagonista femminile e le sue amicizie. Yukino, infatti riesce ad avere finalmente un suo gruppo di amiche, ognuna con le sue peculiarità e problematiche, prima tra tutte lei stessa, che lotta contro i sentimenti che la lontananza dal suo ragazzo le provocano. Con Tsubasa, poi, viene introdotto il tema del genitore single che decide di rifarsi una vita e del rifiuto e delle problematiche che una figlia alquanto immatura può attraversare e provocare. Si introduce anche il personaggio di Kazuma, fratellastro e nuovo interesse amoroso di Tsubasa. Carina l'introduzione finale della famiglia di Yukino e della storia dei suoi genitori.

### **Samantha Tai says**

I didn't enjoy this one as much because there wasn't too much of Yukino and Soichiro in this book. It's summer break and Soichiro is away at kendo tournament all summer. Volume 5 focuses on Tsubasa, who in Volume 4 has had a crush on Soichiro forever. When she learns that Soichiro and Yukino are boyfriend/girlfriend, she decides she doesn't like Yukino. By the end of the Volume 4, Tsubasa has decided that Yukino is ok and they become friends. Since she isn't spending time with Soichiro, she's spending more time with the girlfriends she became close to in Volume 4.

Tsubasa announces she's running away because her dad is remarrying and she doesn't want him to. Most of Volume 5 focuses on Tsubasa coming to terms with her father's new marriage.

We also learn how Yukino's parents met. Again, I'd like more of Soichiro & Yukino.

## **Ada says**

Tsubasa is my least favorite character... And still her story made me smile... Aahhh.

---

## **Samantha says**

I began this series quite a while back, but it has always stayed in my mind. It is one of the more memorable mangas I've encountered. I was FINALLY able to find the next installment today when I went to the library. After reading it though.....I felt a little empty. I hated that Soichiro was away, because I enjoy reading about his and Yukino's relationship. I understand that he returns and such but still....kind of a disappointment. However, I must say it was nice to see how Miyazawa's parents came to be together. It was very different than what I usually see and I appreciate this series more because this side story was included. I cannot wait to begin vol. 6. Thankfully, Arima will be back by then so things should hopefully get back to normal. =)

## **Lynn says**

Today's post is on *Kare Kano: his and her circumstances* volume 5 by Masami Tsuda. It is 208 pages long and is published by Tokyopop. As it is the fifth in the long running series you need to have read the first four to understand the story. The cover has Tsubasa on it looking cute. There is no language, no sex, and no violence in this book. The story is told from the third person close of the main character Yukino. There Be Spoilers Ahead.

From the back of the book- School's out! But since Soichiro is going to be away competing in a kendo tournament all summer, he and Yukino are forced to spend their vacation apart. (Bummer!) Will their romance be able to survive the separation? Yukino decides to spend her free time with her gal pals but soon her friend Tsubasa announces she's leaving home. Tsubasa's upset about her father's plans to get remarried, and freaks out even more when she meets her new brother-to-be. Yukino tries to be there for her friend while still nurturing her relationship with Soichiro from across the miles.

Review- The blurb makes this summer break sound more dramatic than really is. Yes, Yukino and Soichiro miss each other. But really they are handling it very well. The main point of this volume is character development for Tsubasa. We get to see why she was so attached to Soichiro. Tsubasa does not want to deal with what is going in her family but in the end because of her new brother she can and does. Her new brother is her age and he is in a band. I look forward to seeing more of him. The other characters are there and we get to see more about Yukino's family. The last story in this volume is about her father and mother in childhood.

I give this volume a Five out of Five stars. I get nothing for my review and I bought this manga with my own money.

## **India Stoker says**

Este tomo tiene de particular la poca aparición de Arima, con lo cual las tramas de Yukino y sus amigas, Asaba y sus peculiaridades, Tsubasa y su nueva familia y la historia del pasado de los padres de Yukino cobran más importancia y le dan más frescura a la historia.

## **Sara says**

The best volume in the lot so far! I all of the Tsubasa chapters. You just can't her. She's so endearing. And adorable little toughy baby. Like the kitten that bites you on the nose. I love everything that happened and promises to happen with her expanded family! She hijacked the manga!

---

## **A.M.G. says**

Actual Rating : 3.7 / 5

Somehow or other, the series got better. Focusing more on family issues and less on icky relationships, this volume is a perfect blend of comedy and drama. Granted, some minor stuff is stereotypical, but of all the volumes thus far, this is very much the best. Just to say though, is it bad that it's the best and yet one of the main characters is more or less absent throughout the majority of it?

---

## **Andrea Napiwocki says**

This one was interesting because you start getting to know all the different characters.

---

## **Lord says**

This volume is more about side characters than the main couple and it is obviously for the better. In the previous four volumes nothing much happened except a few kisses and hugs and long staring into each other's eyes with Miyazawa saying things like "I can't believe how beautiful he is..." again and again. I won't continue with this manga. It's too long and too mediocre, in both art and story department.

## **Sarah says**

Cuuuute!

---

## **Carmen8094 says**

Nel quinto volume cominciano le vacanze per i nostri protagonisti, che si ritrovano però separati a causa degli impegni sportivi di Arima.

Mi piace molto che Yukino passi del tempo con delle amiche, ognuna con le proprie caratteristiche non solo fisiche, ma anche psicologiche. Del gruppetto fanno parte anche Maho e Tsubasa, subito rientrate - per fortuna - dal loro ruolo di antagoniste.

A partire da questo volume la storia comincia ad assumere i caratteri della coralità, cosa che le permette di rinnovarsi e non tenere forzatamente il focus su Yukino ed Arima.

Possiamo così conoscere la complicata situazione familiare di Tsubasa, personaggio sfaccettato che a tratti può risultare insopportabile e a tratti adorabile, e immergerci nella prima parte della storia dei genitori di Yukino, idea che ho trovato davvero molto carina.

## **Rachel Thompson says**

Schools out and since Soichiro is going to be away competing in a kendo tournament all summer, he and Yukino have to spend some time apart. Yukino fills her days hanging out with her new friends, but then Tsubasa announces she's leaving home with plans to move in with Yukino. She's having trouble adjusting to the idea of her father remarrying, since it's always been just her and her dad.

I love Tsubasa's antics in this book. Even though she's the same age as Yukino, she's a lot smaller and acts a little immature for her age. Her dad and her new stepbrother are really cute, which helped the book a lot. Her dad is a girls' clothing designer and her stepbrother is a musician in a high school band, so I look forward to more books involving these two characters. Yukino's friends can often be more interesting than Yukino's and Soichiro's slow-moving romance...and since Soichiro was hardly in this book, there wasn't a whole lot of romance.
