miss wayne and her friends are still feeling down after sky death. Wayne leave DC to get a clear head. But it seems like people wont to see him fall.

Lunden says

I loved this one strictly about Miss Wayne. I thought that he was the standout character in the 1st two books anyway. I thoroughly enjoyed the back story about his childhood and how he came to be. The story wasn't predictable at all because I thought that one person was responsible for the slaying and I never even thought it was who it actually was.

Miss Wayne and dem queens were something else! A well known character from the Black & Ugly series, Miss Wayne really gave his all in this story & there was never a dull moment! From the dialogue to the activities, this book kept me laughing & entertained from beginning to end. Flashback scenes from his younger years with familiar characters helped make this a great read!

This was a good book from the start I really enjoyed it. Miss Wayne was the best one of my favorite characters in this book. Miss Tyrone was really trifling if you ask me. I enjoyed all the characters in this book. You have to read it to understand why I enjoyed it so much. I will tell the whole story but I never spoil a book for anyone.

Tamara Liggins says
