And so the Fourth Great Ninja War begins and the five great nations get together to form the Shinobi Alliance under Gaara's command. His speech made so emotional, my baby came from so far and I couldn't be more proud of him. Everything is getting so dark and scary and I'm terrified of how all this is going to end...

Naruto vol. 55 Summary: Naruto is a young shinobi with an incorrigible knack for mischief. He's got a wild sense of humor, but Naruto is completely serious about his mission to be the world's greatest ninja!

THE GREAT WAR BEGINS

Evil masterminds Kabuto and Madara instigate a skirmish with Naruto and friends on Turtle Island. The Allied Shinobi Forces prepare to attack, but are they ready for Kabuto's horde of reanimated dead ninja!?

MY OPINION

Yamato has been captured and the island is on the move once again. Naruto still has no idea about what's going on for real, but he's finally reached the final step in learning how to control the Nine Tails. As the enemy approaches, Kabuto sends reanimated dead ninja forward to attack. Among them are Deidara, Sasori, and Sai's brother. And in the second wave are Haku and Zabuza, the very first opponents of Squad Seven.

The 4th greats ninja war is finally starting, Rematch Kakashi vs. Zabuza...??Another awesome volume????

Bradley says

The great Ninja war has begun, and all the old and dead masters of the art is under Kabuto's control. He's actually one of my favorite necromancers in any series, but he has to grow into it first. These are just the opening salvos, but what really stands out is the return of Zabuza and Haku.

I'm meh about the return of the 7 great swordsmen.

Otro tomo de Naruto que sigue con algunos de los problemas que ya comenté en el anterior, un exceso de texto para lo que al final te cuentan, y eso pese a que supuestamente pasan muchas cosas.

El efecto es algo más sangrante en éste tomo 55, más que nada por la cantidad de Ninjas morralla contra los que combatir que se van presentando (dejando claro que pueden llegar a ser hasta infinitos). Que si los siete espadachines, que si viejos conocidos, que si los Akatsuki... los típicos boses intermedios antes de llegar a los combates que realmente interesan.

Además, entiendo que lo hacen para dar visibilidad a la gran coalición Ninja y dar la sensación de estar ante una guerra con todas las de la ley, con movimientos de tropas, miles de efectivos por bando, grandes personajes participando... y debería funcionar, más con la cantidad de personajes secundarios que la serie ha

ido dando con el tiempo y que parece van a tener sus momentos en ésta Gran Guerra.

No es un mal tomo, ojo, simplemente huele a relleno por los cuatro costados y no es un relleno ágil de leer.

To quote another reviewer, let the lame war begin. Gah. It's so hard to get through.

Vittorio Rainone says

Naruto riceve l'addestramento all'enneacoda da Killer Bee (che ha anche rotto le palle con le sue frasi in rima). Intanto Madara attacca i villaggi ninja con un esercito sterminato di Zetsu bianchi e una piccola ma potentissima pattuglia di zombie riportati in vita dal sempre più temibile Kabuto.

Travis says

The Fourth Great Ninja War has finally begun. The Five great nations have come together to form the Great Shinobi Alliance under the direct command of Gaara. Kabuto revives past villains and heroes to fight alongside Madara and throw off the Shinobi Alliance. This volume of the war kind of starts off slow but really ends with a punch, Kakashi and his 4th Ninja Unit facing off against the revived Seven Ninja Swordsmen!!!

Gabriela says

This is so overwhelming. ACK!!! There are so many people to keep track of. The war has begun!
