Sweetwater

Courtney B. Jones

Sweetwater Courtney B. Jones
Alternate cover edition of ASIN: B008RL2ZQQ

Vol 1: Mia is on the run, something she's become quite good at, when she ends up stranded in a small Texas town and meets the infuriatingly charming, Kyle. Can he keep her from running again?

Vol 2: Cassie and Travis were high school sweethearts. Madly, hopelessly, recklessly in love. He left for the Army, but she didn't wait behind in their small town. What happens when fate brings them both back home?

Vol 3: Kendra and Jimmy have grown up together. Known each other all their lives. And been friends since grade school. Until a few months ago, when his lips unexpectedly land on hers. With his secrets and her demands for more...can they figure out that love was already there?

From Reader Review Sweetwater for online ebook

Tamaria Soana says

Sweetwater is a heartwarming book. I'm looking forward to book 2!

Marilyn says

I received a copy as a Goodreads 1st Reads ARC giveaway. I really enjoyed the trilogy. The characters are so relateable, but the stories should be full blown novels. The reader is left wanting to know more about each of the three stories.

Karen Berrow says

This was a lovely read. A nice, easy romance with a little bit of angst. I really, really wanted more though. I just didn't feel ready to leave Mia and Kyle yet.

Tamaria Soana says

Coming Home was such an amazing read. It was beautiful! I cried through most of it, but enjoyed every word.

Karrie says

I really liked this.

April says

fun short story! very cute love story :)

Kathy says

I won this book from Goodreads 1st reads.

Great stories and well written, I only wish they were longer.

Bex says

What a beautiful story. Short, sweet and extremely heart-warming. Beautiful characters that are actually relatable and very well written, this story is worth every cent! Can't wait to read more from Courtney!

A.L. Jackson says

Coming Home is another incredibly sweet romance by Courtney Lyn Batten. I'm not usually one that goes for a short story, but Courtney was somehow able to draw me and cause me to care for her characters in a very short amount of time. I gobbled Coming Home up in about a 45 minute sitting, and yes, I did wish for more, but Courtney left it off with me feeling completely satisfied that these two would be together again. I recommend Coming Home for anyone who's looking for a quick escape from reality into a story filled with intense longing through the eyes of a man who had his heart broken at a very young age and the woman who had grown enough to know she wished she'd never have broken it.

Niurka Marrero Marrero says

It's a short, sexy and sweet very well written love story between characters that I learned to like a lot while reading this. The way the author describes their feelings and thoughts made them very real for me and so I kind of fell in love with them a little.

Emily Boivin says

I WON THE BOOK ON GOODREADS. THIS IS A 3 PART STORY AND IS QUITE A GOOD COMBINATION OF STORY AND CHARACTERS. IT IS A QUICK READ AND VERY ENJOYABLE.

Amy Lichtenhan says

Sweetwater was definitely sweet! I fell in love with this short story almost immediately. Mia is a girl running from her past, but the moment we meet Kyle, we know there's no chance of her getting away. Courtney Batten did a great job of introducing us to two amazing characters and making us care about them in this must read short story. Can't wait to see what's in store for these two next.

Sweetwater by Courtney Lyn Batten was okay. It was a sweet, undemanding short story. This story was

extremely easy to read because of Ms. Batten's clear and precise writing style; it took me approximately fifteen minutes to read this entire story. Granted, this was an extremely short story.

There were a few things that I didn't particularly care for about this story. Mainly, I felt like Batten tried to fit too much into too little. This novel takes place over two days, and I felt like Batten tried to cram too much story into those two days. This short story had all of the key points of a novel, but it lacked character development, story development, and emotion which made the story unbelievable. Another issue that I had with this novel was that it was very clichéd; I would not use the word "original" to describe this story. Broken down car. Check. Damsel in distress. Check. Damsel in distress running from her past. Double Check. Hunky hero to the rescue. Check. Cheesy lines. Check. A girl who runs when she is scared. Check.

I had a decent time reading this novel. It was light. It was short. It was fun. However, I didn't believe in the characters or their love for one another for a second.

(view spoiler)

I gave Sweetwater by Courtney Lyn Batten 2 STARS (2.5 STARS).

-XOXO
