### **The True Gospel**

I've heard the most popular "gospel" which the majority of people seem to accept. I "asked Jesus into my heart" when I was very young (around 7), and ever since then, I'd been as far away from Him as I could get. I was into everything, until He opened my eyes and caused me to break down, not because I feared going to hell, which had caused multiple breakdowns years ago, but because, looking back at my sinful life, I had seen nothing but Grace and Mercy. Every single time I had sinned, He had shown either mercy, or grace, or both, every single time. It upset me because I realized that God HATES sin, and that no matter what good He did for me, I did nothing but mock Him and spit on Him. I realized that I should be DEAD right now, but God is full of mercy and grace, so He not only allowed me to live, but He showered abundant blessings on me, which I should not have received. He truly loves me and does not want to see me perish, and because of all He did for me while I was still a wicked sinner, I am living for Him.
