Collecting the hottest gay erotica from ten authors, the Ultimate Gay Sex Sampler has something for everyone - from erotic to romantic, from soldiers to doctors, from frat boys to angels, the one thing all these scalding-hot stories have in common is encounters between sexy men.

All proceeds benefit the Grameen Foundation, a charity organization that helps start small businesses in developing countries.

Doctor's Orders by C.M. Knox: When cute college student Will gets accepted into a prestigious study abroad program, he thinks he's finished with the hard part. But standing in his way is one last requirement - a physical from the campus doctor - and Dr. Stevens isn't letting him go without first giving him a very thorough examination.

Keep It on the Down Low by Veronica Bates: Richard, a married man, has lusted after his guy friend for some time. But after a few beers, and implementing his super secret seduction plan, he failed tremendously at resisting his friend's charms. Both become desperate for each other, and also desperate for a wife-free place for sex. Will they be able to keep their clandestine romance on the down low?

The Soldier and the Spy by Aubrey Watt: In the moment of truth, I cannot kill him. He is the enemy, a spy, and I should have pulled the trigger when I saw him. But I cannot. He is beautiful, and I am lonely, and we are both of us trapped in the middle of a battle that does not matter. Now we are traitors, but at least we have each other.

Pumping Teen Iron Cock by Lula Lisbon: Former nerd Drew is now a buff 19-year-old college athlete who has a huge crush on sexy jacked Gabriel, university coach and trainer. What he doesn't know is that Gabriel's been watching the tight teen's physical progress with interest, and the older man plans a steamy seduction after the lunchtime gym rush is gone! Shy virgin Drew quickly discovers that there's more than just heat in the sauna!

Watching My Neighbor by Jessi Bond: When he catches a glimpse of his handsome neighbor in the nude, Craig's left confused, aroused and questioning his sexuality. But how far is a straight guy willing to let his attraction for another man go?

Banging the Boss 2 by Victoria Scarlett: James' employment under Roland has been uneventful ever since their original meeting when Roland screwed him senseless. When Roland calls him in to his office to demand more sex, James isn't too shocked. But he doesn't expect Roland's arch nemesis to be in the same room, much less having to service Roland without his rival finding out.

Frat Boy's First Lust by Julianne Reyer: Tony had always watched his fraternity brother Rick from afar, but when he finds himself alone with Rick after sharing a drunken bond, he might just get his chance to make a move...

Guardian Anal by Violet Jessamy: Everyone has a guardian angel, but Keith has a more intimate relationship with his angelic protector than most people. Despite the life-threatening danger that calls the angel to his side, the two of them make time to get to know each other very well indeed. His angel goes above and beyond his calling in order to heal his human charge's heartbreak with tried-and-true mind-blowing sex.

Hiking Hookup by Stella Hayne: When Bill and Jack reconnect for a hike years after college, neither of them know what to expect. Stranded in a forgotten cabin during a storm, the two young men experiment with unspoken urges on a night that may change their lives forever.

Billy's Cock by Noelle DeVeere: Jon needs to get back into shape, and his friend Billy is more than willing to show him how. But when Billy inadvertently shows Jon his best feature, soon both men will be pumping more than iron!

Warning: this collection of short erotic fiction features explicit descriptions of hot gay sex, group sex, authority figures abusing their power, voyeurism, and several first gay times, and may lead to one-handed reading.

Eric Neill says

Mixed sample of stories and fun

Something for everyone but best for those lonely nights when your best friend is at the end of your arm.
Triggers for the imagination and hints to guide your dreams make this a good place to start.

Nic says

A collection of free short stories from Amazon. It seemed to have a quite a high GR rating so I was surprised to find I didn't really enjoy it too much. None of the stories tempted me to investigate any of the authors further. That's not to say others might not find it appealing.

Janie says

A lot of really good short sexy stories!

Matthew says

Damn... last story was definitely the best... Free read on Amazon!
