## **Morgan says**

This volume was okay. It wasn't as riveting as the others had been. I might take a break for a while and read something else but the story is somewhat interesting but it's being dragged out. I'd rather see a little more resolution. There has been conflict but it's all minor and solved in a matter of pages.

## **Sophie says**

An okay volume with a really great cliffhanger!

## **Laurianne Uy says**

Sumire is the cutest.

## **Teresa says**

WHAT THE F\*CK KIND OF ENDING WAS THAT OMG AND WHY CAN'T I GIVE THIS SERIES MORE THAN 5 STARS??!!?!?

HASUMI ISN'T A CHEATER I KNOW HE ISN'T AAAAAHHHHHHHHH

## **Monique says**

Ogawa is adding more story elements and conflicts, which is helping to keep things interesting. I wish the chapter with Yuri getting that make-over and a boost of self-confidence had more impact on the main storyline. She's a good side character who doesn't get near enough attention.
