**At Her Boss's Pleasure** Cathy Williams

## **The alpha and the innocent**

Raised by a mother who traded on her looks, buttoned-up accountant Kate Watson is determined to be respected for her brains and not her beauty! But working side by side with notorious billionaire boss Alessandro Preda leaves Kate rattled!

Alessandro is intrigued by virginal Kate. He's used to women flaunting their curves in front of him, not trying to hide them! He will relish the fresh challenge of unleashing the volcano of sensuality he senses within her.

Yet neither is prepared for what happens when one pleasurable night is nowhere near enough...

## From Reader Review At Her Boss's Pleasure for online ebook

### Deborah says

Kate and Alessandro are matched intellectually as boss and employee. Securing a solid financial future is Kate's dream. Work is her only passion. Can her billionaire boss change her view on dating, love and life? Harlequin romance at its best.

Zzzzzzzz. I am a reader who refuses to stop reading a book unless there is an emergency. I must get to the end in one reading session. When I get interrupted, if the story is good, I am counting down the minutes until I get to it again. I started reading this book three days ago, I remember starting the book then had to answer the phone and totally forgot about its existence. I am at the hospital right now and was going through my kindle when I saw it and thought, "oh did I finish that?" Not exciting. Same story line guy a jerk but still thinks he has a right to judge other people's lifestyle and gives the advice on the "right way to live". The woman just sad. The mother to the woman even more pathetic sad and idiotic. I regret buying. However, I did not ask for refund (only done so three times) so it was not disgusting just not for my taste.

### Alex is The Romance Fox says

2,5 stars!

Kate Watson does not want to be like her mother!!!! So she hides her beauty behind her rather drab appearance and works hard at getting people to see her as a serious and brainy

Alessandra Preda, her gorgeous billionaire boss is a notorious playboy, who, one night sees Kate working late and notices that hey....this brainic worker of his is rather interesting....and even gorgeous...which gives him a total hard-on!!!!

This is another office romance with the boss falling for one of his staff!!!!

I kind of liked Alessandro...he was quite a nice person underneath his playing around image....I would have enjoyed a bit more about him instead of Kate....all the drama about her mother...geez, all she did was trying to do the best for her daughter!!!!

The story dragged a bit too much for me....in fact I skimmed over quite a few pages!!!

This was just an okay read for me....I didn't dislike the characters but I didn't fall in love with them either.

## **Harlequin Books says**

"Williams' opposites-attract office romance is a blend of comedy and drama" (RT Book Reviews).

I really liked the heroine, Kate. Ms. Williams spun her story web perfectly mixing heat, humor, and life changing experiences while keeping Kate very relateable. The hero, Alessandro, really had no chance of a short fling. Kate is his perfect match. This one ranks high in my office romance list of keepers. ~Kim s., Harlequin Books ambassador

## **Ipshita Ranjana says**

At Her Boss's Pleasure by Cathy Williams is a well written office romance with likable characters. The blurb is misleading as it puts too much stress on the heroine's virginity when she is not. She is not innocent in the ways of the world just not ready to open up and let herself go. Kate's mother choices has had a huge impact on her life and after an unstable childhood, she decided to never follow her mother's footsteps. Stability is important to her and she is afraid to become her mother in whatever she does.

Personally, I felt Kate was too hung up and embarrassed by her mother. I mean her mother did love her and did everything she could to keep them financially stable. Alessandro is an adorable hero who teaches Kate to let go and have fun once in a while. He transformed her for the better and made her look beyond her mother's choices. I loved him and wanted to know more about him but Kate's problem and backstory is emphasized more in this.

The pacing is a little off but the romance is enjoyable because of the good chemistry and enjoyable dialogues. The story dragged a bit and the uneven pacing made me skip a few pages :(

Overall, At Her Boss's Pleasure by Cathy Williams was an enjoyable office romance but not the author's best as compared to her previous work.

Boring, no story. Didn't impress me at all. Next book ;)

## **Megan says**

Either I'm burning out on these or they are just OK.

I don't want to give it a 4 star because it wasn't fantastic but it was a good read.

### **Fabiola Chenet says**

Histoire de romance de bureau classique mais qui fonctionne. Par contre, à la fin du livre, lire "Cette réponse lui coupa la chique." Euh... non, c'est pas possible. Cathy Williams est publiée depuis 1990, j'ai déjà lu d'autres histoires d'elle, c'est donc certain à 100% que la traductrice s'est un peu laissée aller sur ce coup.

### **Anna says**

Thought about enjoying Mills & Boon every now and then and the joy of a little heart warming romance.

---

### **Hemavathy DM Suppiah says**

Funny, charming, sexy, and sweet. A good way to while away free hour.

---

### **Anna says**

The book started well but I felt towards the end somehow the plot winded up too fast. Felt like the hero discovered love too quickly and the story had a forced ending.

---

### **Klynn says**

This was an okay read. It dragged a bit in the beginning, picked up in the middle and then seemed to end rather abruptly.

---

### **Jenny says**

I don't get it why authors lie in their descriptions. Heroine is not a virgin so why the fake summary?

---

### **Sara Mitchell says**

Not one of my favorite books by this author. I found Kate to be annoying and Alessandro to be ridiculous.

Both were not characters that I enjoyed reading or I wasn't drawn into their story.
