## Dark Horse Linda Cargill

Do you ever wonder what would happen if Hitler won the Battle of Dunkirk? Colonel Sir Edward Ware is about to find out when Rommel pushes him off the French beach with all his troops and then beats him to Britain in 1940. The chase ends up in Coronado, California, land of palm trees, the rich and famous – and swastikas! It's all ahead for the Republican Convention of 1940 in Philadelphia where a dark horse candidate is being selected with major international complications and plenty of Nazi involvement.

Can Britain ever be the same as it was again? Can the world? Edward better figure it all out soon, or Colonel Ware will end up doing the straight arm salute in this alternative history thriller.

## From Reader Review Dark Horse for online ebook

### Noelle Walsh says

This book was an interesting "what if" reading experience. As far as I know, this book was well researched and I think the history buff and WWII buff would enjoy this book.

### Joyce says

Novel and interesting approach to "what if".

### Nadia says

Obviously a book backed by lots of research, I would recommend it for the World War 2 history buff in your life. It wasn't really my style, but a good book nonetheless.

### Tony Parsons says

1940, Coronado Island, CA. Benley Compound. Mr. Winthrop Benley & Mrs. Etta May Benley, were entertaining Dora Ware (wife/daughter, nee Benley), & Colonel Sir Edward Ware (husband/son-in-law).

Lieutenant Hoare was to make up a Republican Presidential candidate campaign schedule for Winthrop. Later what would happen to Wendel Willkie (aka Dark Horse)?

I did not receive any type of compensation for reading & reviewing this book. While I receive free books from publishers & authors, I am under no obligation to write a positive review. Only an honest one.

A very awesome book cover, great font & writing style. A very well written pre-& WWII historical fiction book. It was very easy for me to read/follow from start/finish & never a dull moment. There were no grammar/typo errors, nor any repetitive or out of line sequence sentences. Lots of exciting scenarios, with several twists/turns & a great set of unique characters to keep track of. This could also make another great pre-& WWII historical fiction movie, or better yet a mini TV series. To be continued. A very easy rating of 5 stars.
