Dirty Wicked Shayla Black

From New York Times bestselling author, Shayla Black...

After being framed for a crime he didn't commit, former private eye Nick Navarro has nothing but revenge on his mind—until a woman from his past returns to beg for his help.

Beautiful widow Sasha Porter has been hunted by his enemies. Desperate, she offers him anything to keep her young daughter safe, even agreeing to become his mistress. The last thing either of them want are emotional entanglements but as they entrap the ruthless politician who arranged Nick's downfall and passion sizzles between them, danger closes in.

Will he choose love over vengeance before it's too late?

April Symes says

This is a novella in the Wicked Lovers series. This novella is just as hot and erotic as the full novels in this series. Ex P.I Nick Navarro is just out of prison for a crime he never committed. Nick is looking to find the person who set him up and make the person/persons who set Nick up feel something for all the years he was unjustly caged. What he didn't expect was to find was her showing up- Sasha Porter. Her husband and Nick were really good friends and now she is in danger after her husband was killed. She has brought her young daughter with her, trying to keep them both alive, hoping that Nick will help them. The thing is, the person who set up Nick and killed Sasha's husband-well, they are one in the same. There are so many twists and turns in this book that kept me on my toes and on top of it is their burgeoning romance. Nick and Sasha are like a lit match in an oil factory, always about to explode. There is so much emotional angst and even though this is a novella, this feels like a full novel. My heart hurts for Sasha- I do not want to get to the reasons why but there is so much pain and hurt there and wow, did Nick come off as a jerk at times to her but the reasons why will explain his actions. The emotional roller coaster takes you on a ride but what a ride it is. Nick and Sasha go on this journey of discovery and of passion. There is much that goes on and wow I sure didnt expect what went on--I loved Sasha's little girl and seeing the previous characters making apperances in this novella. This sure was action packed and the ending is one that I will remember for books to come, and so will you.

My rating: 4.7 stars ****

Nicki - The Overflowing Bookcase says

Shayla Black has done it again. Nick and Sasha have incredible chemistry. I fell in love with Nick in the opening pages. The intrigue and sexual encounters are so well written you cannot put the book down. I have always loved the romance and relationship connections that Shayla puts in her books but this one went off the charts. This is a MUST read even if you have never read any others in the series.

ABOUT THE BOOK: Release Date November 8, 2016

After being framed for a crime he didn't commit, former private eye Nick Navarro has nothing but revenge on his mind—until a woman from his past returns to beg for his help.

Beautiful widow Sasha Porter has been hunted by his enemies. Desperate, she offers him anything to keep her young daughter safe, even agreeing to become his mistress. The last thing either of them want are

emotional entanglements but as they entrap the ruthless politician who arranged Nick's downfall and passion sizzles between them, danger closes in.

Will he choose love over vengeance before it's too late?

.....

REVIEW: DIRTY WICKED is installment 11.5 in Shayla Black's contemporary, adult WICKED LOVERS erotic, romance series. This is P.I. Nick Navarro, and single mother/widow Sasha Porter's story line. DIRTY WICKED is also Shayla's latest entry into the multi-authored 1001 Dark Nights novella series and can be read as a stand alone without any difficulty.

Told from dual third person perspectives (Nick and Sasha) DIRTY WICKED follows Sasha Porter on the run. Along with her young daughter Harper, Sasha has been struggling against the odds to stay one step ahead of the people who murdered her husband Mike Porter. Enter Nick Navarro, Mike's former best friend, and the man with whom Sasha will fall in love.

Just days before Mike's death he left a cryptic message that if anything should happen Sasha was to seek help from Nick Navarro but fifteen months would pass before Sasha had the chance to meet Nick face to face as our story line hero was serving a prison term for an offense he did not commit. What ensues is the very quick insta-lust to love formula between two people whose lives were destroyed through betrayal and revenge.

DIRTY WICKED is a short and sexy story as our couple journey across country in the hopes of uncovering the truth and locating the missing information to set them free. The premise is exciting and tangible; the characters are passionate and intense; the romance is fast paced, arousing and dramatic connection between two people who have loved and lost.

Rhonda says

Oh wow!! This book had me hooked completely from the first page. Nick is just out of prison for a crime he was framed for and he's looking for revenge. What he doesn't expect is Sasha Porter showing up on his doorstep with her daughter in tow, looking for help. Her husband and Nick were good friends and after her husband is killed, she goes to Nick. The man who had her husband killed is the same man who framed Nick for a rape to try and cover his tracks. Without giving anything away, Sasha's daughter is taken in by good friends of Nick's and then him and Sasha are on the run to try and find evidence her late husband left against the man who wants them dead. Will they find it? And will the bad guy find them and get the evidence back. This is a short read and kept me completely engrossed until the end!! LOVED IT!!!

Christine Frieske-Miller says

I'm not sure how Shayla Black does it. I am not a novella person because I typically feel like it's too short and I missed too much of the story. But once again, she fully delivers in this novella. This story has love, killers and a great story and can be read in one sitting! We have met Nick before in London, Javier and Xander's book and here we get his story when he falls head over heals for his best friend's widow Sasha. He has always wanted her and kept his distance because of it. Now with Mike's death and Sasha and her daughter in danger, he will stop at nothing to protect them and eliminate the threat even if that means self sacrifice. I loved Nick. A tough guy with a heart of gold. I was glad that Sasha came around quickly to see what was lying beneath. This is a great, quick read.

Shayna says

Flawless writing, nail-biting suspense, passion that filters through every single page, Shayla Black has once again, stole my heart with her latest short and sexy installment of her AMAZING Wicked Lovers series. Nick and Sasha were a great addition to this amazing family of characters.

Ms. Black takes us on a quick journey to Lafayette, Louisiana, where two lost souls reunite and passion ensues. A woman completely out of options turns to a man who was just released from prison. Nick is more gruff and brooding than any man that she's ever known. He also brings out something in her that feels so foreign and yet so right. But she has more than herself to worry about now. Ex-PI, Nick Navarro is out for blood. After spending over a year in prison for a crime he did NOT commit, he has revenge on his mind, and the beautiful Sasha is going to help him get it.

When Sasha and Nick are alone, there is more than vengeance on the brain. The sexual chemistry between them is something they can no longer deny. With pushing Sasha away with his crude and possessive comments, and Sasha pretending that it doesn't turn her on like anything else ever has, they come together in an explosion of heat and steam that just singes the pages.

It's heart-pounding and sexy as sin! It's angsty with a hefty dash of raw and unadulterated passion! DIRTY WICKED was a great addition to one of my favorite series!

Fans of the Wicked Lovers series, you know the drill! Newbies, where the HELL have you been? LOL! If this will be your first taste of Shayla's amazing series, get ready to become addicted! DIRTY WICKED can be read as a complete standalone, but be warned! It will be your gateway drug to the main series! I guarantee it!

Patricia says

A novella with heat, seduction and dirty talk.

Nick Navarro has been wronged but now that he is out of jail, he plans on making it right. Then Sasha Porter appears at his door with her sick daughter in tow. Sasha has been on the run from the man who murdered her husband and Nick's best friend. She is there for help and Nick wants nothing more than Sasha for himself.

He agrees to help with a few provisions put in place and then it's off to find the man who murdered his best friend and framed him. One big problem is he has wanted Sasha from the moment he placed eyes on her. Now they must work together to find the evidence before fate catches up with them and while doing this keep their attraction at bay.

A wonderfully written novella with a dirty talking hero and a stronger than you can imagine heroine. I love everything I've ever read by this author. She has a way to pull you into the drama of her stories and make you fall for her hero's.

Review to follow

Jennifer Grimes says

This was sooo good. I couldn't put it down until I finished it. It was great to visit old friend from previous stories but it was great to get to know Nick and Sasha. Nick was the dark until Sasha lit up his world and pulled him into the light and he protected her with all he has. Great love story, definitely a must read for everyone.

Christina says

Normally I LOVE Shayla Black but this book...Ummm, honestly, I feel like I have read this book before. In this series. It is very similar to another book and I found it felt very rushed. No doubt the sex scenes are fantastic, Shayla Black is a master at those, but this book didn't feel very original or as heartfelt as previous books in the series. Still, it absolutely will not stop me from purchasing the next book.

Catherine (The Sassy Bookster) says

I don't usually read a lot of novellas because I think the short length does not let an author do justice to the story, but Shayla Black is one of the few exceptions to that rule for me. This installment of the Wicked Lovers series is filled with passion and nail-biting suspense, and stands all by itself, without the need to read any previous installments to make sense of it.

Newly released from prison after serving time for a crime he didn't commit, Nick Navarro has only one focus: exacting revenge on those who framed him and killed his best friend and the key to unraveling these threads is his late friend's wife.

Sasha Porter has been trying to stay a step ahead of the man who killed her husband, but she's at the end of her rope. Broke, terrified and with a sick child, she needs help to keep herself and her daughter safe and Nick is just the person to help.

But there is more than just the quest for revenge between Nick and Sasha. There is a burning attraction between them that needs to be explored and perhaps the chance for a future, but they need to deal with their mutual enemy first.

DIRTY WICKED is short but so very satisfying. It's really fast, sexy and thrilling and is just the perfect way to spend a few hours.

I voluntarily reviewed an advanced copy of this book that I received from the publisher.

Jen (That's What I'm Talking About) says

Set up and sent to jail for a violent crime he didn't commit, Nick Navarro is determined to take vengeance on the corrupt district attorney who framed him and killed his best friend, Mike Porter. Sasha Porter holds the key to putting away Clifford for good. Now if Nick can keep his desperate need for his best friend's widow, Nick and Sasha may yet survive the ordeal.

Dirty Wicked is a quick and danger-filled love story. Clifford is a evil, corrupt soul, who will stop at nothing to see Nick, Sasha, and her three-year-old daughter, Hannah, dead. I like that he's not a good man in any way, making him a easy character to loathe. Additionally, being on the run adds an element of suspense to the story, which in turn allows the author the freedom to create intense feelings between the couple, regardless of how little they know of one another.

While Ms. Black won me over with her ability to create strong emotional bonds between the hero and heroine in her previous 1,001 Dark Nights novellas, she fell short of the mark with Dirty Wicked. There were good moments and sexy scenes, but there were also easy outs and ridiculous actions (or non-actions). The pair fell into unwarranted "I love you's" after only two days, and the descriptive text like "he could taste the love in her kiss," and "Devotion flowed from her fingertips. Acceptance oozed from her soft palms," felt a bit over the top to me.

Yet there are brilliant moments like when Nick felt pushing Sasha into sex would keep her away, lessening his temptation. "You can force me to spread my legs for you and give you everything between them. You can't force me to share everything under my skin." The demonstrates Sasha's a fighter and still has some spirit left despite the circumstances. This is followed by Nick's "Until you can give me all that, don't offer me your body again," which allows a little glimpse of his true desires though. Unfortunately, those moments were outnumbered by the less brilliant ones.

In the end, Dirty Wicked was a let down for me after loving the previous two 1,001 Dark Nights titles by Ms. Black. Although there were wonderful moments in the story, Dirty Wicked had too many stereotypes and a cookie-cutter plot. The story just didn't feel well-thought out to me. But with that said, Ms. Black has proven to be an amazing storyteller, and I will certainly continue to read her work.

My Rating: C, Finished It - Liked some, didn't like some

Joy Boutwell says

Dirty Wicked by Shayla Black is an awesome book. It is short but great. Nick was framed for a crime he didn't commit, when he is released from jail he wants revenge. It doesn't take long for a women from his past to show up. Together they learn things about each other and go after the guys who have hurt them. This is a must read.

Leagh says

The perfect Wicked Lovers edition! Sweet, sexy, with a hint of suspense makes this book an all around great read. I loved this story. Nick and Sasha were great and the writing was flawless. Plus we got a little bit of past characters which was amazing! Definitely a recommended read.

Renee Entress says

4 star

I was pulled right into this short story. The story has laughs, pain, suspense, twist & turns, seduction, secrets, lies, and heartbreak.

If you have not already read the below I recommend reading them first:

Wicked Ties (Wicked Lovers, #1)

Decadent (Wicked Lovers #2)

Delicious (Wicked Lovers, #3)

Surrender to Me (Wicked Lovers, #4)

Belong to Me (Wicked Lovers #5)

Wicked to Love (Wicked Lovers, #5.5)

Mine to Hold (Wicked Lovers, #6)

Wicked All the Way (Wicked Lovers, #6.5)

Ours to Love (Wicked Lovers, #7)

Wicked and Dangerous (Wicked Lovers, #7.5; Dangerous Tides, #1.5)

Wicked All Night (Wicked Lovers #7.5)

Forever Wicked (1001 Dark Nights, #1; Wicked Lovers, #7.75)

Theirs to Cherish (Wicked Lovers, #8)

His to Take (Wicked Lovers, #9)

Pure Wicked (Wicked Lovers, #9.5)

Wicked for You (Wicked Lovers, #10)

Falling in Deeper (Wicked Lovers, #11)

This is Sasha and Nick's story. Nick was framed and served his time. Now out Sasha the window of one of his old friends shows up at his door. She needs his help. He wants to take down the same person as she does. But with danger one step behind her can he help her? What does he want in return for his protection? Is she willing to anything? With then running from danger would it be better to take the danger on face to face? Will they be able to count on each other to the end or will one prove that they are all about themselves?

I felt I was able to connect with the characters and the story was a great read.

I recommend this book and can't wait for the next story from this author.
