## Kingdom Marriage: Connecting God's Purpose with Your Pleasure Tony Evans

What happens when a kingdom man marries a kingdom woman? *Kingdom Marriage: Connecting God's Purpose with Your Pleasure* helps couples grow together as a kingdom couple to fulfill God's design and purpose for their marriage. Through practical insights and powerful stories, Dr. Tony Evans inspires and instructs so couples will discover the hope, challenge, and guidance God's Word provides for their journey together.

“You can reflect the glory of God and the unity of the Trinity through your shared purpose, honor, and love as a true kingdom couple.” —Tony Evans

*Kingdom Marriage* shows couples that the key to influencing our society and world with lasting impact is found in solidifying biblical marriage in the way God intended. It starts with both wife and husband reflecting God and His image and modeling that reflection within the roles and responsibilities of their union. This is based on a correct understanding of God's kingdom and their responsibilities in it. *Kingdom Marriage* and the *Kingdom Marriage* devotional and video resources are part of an entire line of Kingdom products by Tony Evans, including *Kingdom Man*, *Kingdom Woman*, *Raising Kingdom Kids*, and the *Kingdom Quest* strategy guides for kids and teens.

I've read a lot of christian books on marriage, so far this is my favorite. Having a Kingdom marriage is a goal, something we should be growing into. Today, families disintegrate because they exist for their own satisfaction rather than for the Kingdom of God. We must be Kingdom minded, if we are to live a godly life. There is a purpose for marriage and God created it. I love how Dr. Tony Evans uses practical things or situations to explain Jesus teachings about marriage, I honestly believe Pastor Evans is one of the best or the best teacher of our time. Marriage is difficult for that reason we are to be growing spiritually and abiding in Jesus. He is our first love who teaches us how to love our spouses. Praying for all marriages including mine who are constantly being attacked by the enemy to cause division.

This is a great book BUT I have to say the narrator in this book is the WORST I have ever listened to and I have listened to a lot of books. I almost had to put this book down but I powered through because I love Dr. Tony Evans so much and I refuse to lower the stars. I wish I could rate the narrator separately because he made this so painful!!!

This book was a refresher for me. If your marriage is lacking in any area. This book can help you. And might I add. This was a Christmas gift from my son Jayelyn. The best gift a mom could ask for. I must remember to just do it. He has saved our best for last.

#### **Another great read from Tony Evans!!!**

I've read Kingdom Woman and it was an awesome book. So I knew when he released Kingdom Marriage it would be another great birthday book. Making my marriage great will start with me doing what He says to do!!!

Went back and forth between 4 and 5 stars. Good solid biblical advice in the second part. Just couldn't get connected in the first part. Then there were the three jokes at the beginning of a chapter. This isn't a joke book. It's ok to tell a joke but then get to the point. Other than those drawbacks I would recommend this book.

We did this video study as a couples bible study. I thought it was okay... It had good talking points, but I wasn't very engaged during it.
