Leah's love has broken down the wall around Gianni's heart. *Yet she fears losing him.*

Love and domination become her focus. Her craving for complete submission to the man she loves stirs new emotions. The playroom scenes are hotter, and threaten to go beyond her tolerance. Then on a trip to Zurich, an unexpected offer changes her life.

“Once Gianni told Leah how much he loved her, the shared journal became more important. It was the pathway to her innermost thoughts and true desires. It enlightened him on what she preferred. Or what she didn’t. Sex with Leah had always been something more. It had taken him a while to see it. But he had felt it from the first. There was no more attractive woman than Leah. And there was no greater beauty in Gianni’s eyes than a woman in the throes of desire. Leah was the whole package. She wasn’t the first to submit to him. But the emotions he had felt with her from the beginning were signs of a deep love.”

??? Gianni bravely faces unending passion fueled by love.

In this heartwarming conclusion to the “Leah’s Seduction” series, Gianni and Leah struggle to reconcile the intensity of the playroom with being in love. Their life has settled down, allowing them to focus on their relationship. The intimacy they share is hotter than ever, making Leah aware she has more to lose. A trip to Zurich brings a new surprise, one that Leah did not see coming.

I'm glad I've read the whole series however I felt a bit let down that the story was just dragged out apart from the proposal I don't think too much happened in this book.

A fitting and heartfelt ending to a wonderful series that drew me in hook, line and sinker.

With Gianni's declaration of love finally shared and a most romantic proposal given what is left? We'll Gianni's ability to continue his domination in the playroom. He has reservations if it is possible now that he can't separate sex and love. Don't fret...the sexy dominate man can do anything he puts his mind to and his mind is set on giving total pleasure and love to Leah.

His love for her will make you sweat with passion and the playroom may not be for everyone but it more than works for these two. Yep. The heat and passion between these two could cause a five alarm fire :) After all these two endured they definitely deserve a happy ending.

I look forward to Kyra and Stefano's story next. I just know the author can't disappoint us.

Absolute perfection! The love between Gianni and Leah is beautiful and their journey had me hanging on for every word. Gianni has grown so much with Leah at his side. Between the intensity, passion and the vivid descriptions it was like being a part of their lives. LOVED everything about Leah and Gianni!

I received a copy of this book in exchange for an honest review.

What a fantastic conclusion to a beautiful LOVE story....from business associates to friends to lovers to more.....Gianni and Leah relationship went through the ringer....ex girlfriends, paparazzi, secrets but never LIES !! Gianni had to go through it all to figure out what LOVE ment to him and how it made him feel to be with one woman that captured his heart with her words. When Leah agrees to write her feeling down knowing Gianni would read them was hard at first but she found out that her heart knows what she feels and how to express it through words.....did that help Gianni fall more in love with her ??

During a magical trip to Switzerland Leah and Gianni seem to have set up another perfect couple....Kyra and Stephano....with out them even knowing. When Kyra plans to stay an extra few days to be with Stephano , Kyra misses out on the magical part of the trip....how Gianni pulled this off , we all would live to know !!

Gianni never seemed to be the romantic type in the beginning of this amazing journey but the more you read

the more you and Leah fell in love with him. From the trips to the clothes to the dinners to the romantic gestures he even stole my heart !!

Can't wait to see what is in store for Kyra !!

“Having felt the depth of love I have for you.... I will always love you, baby.”

Gianni finally says those three little words to his beloved Leah, and in such a romantic way. The trip to Paris, so romantic! But with that confession comes new concerns, how will it affect their “playroom time”? Gianni is all that Leah ever wanted, now that he has given himself to her totally, she has a growing fear of losing him. She knows she would not survive the loss. The shared journal is an important tool in their intimate relationship. Within those pages are private, revealing thoughts that Leah can best describe for Gianni. The first experience in the playroom after Gianni confesses his love to Leah is overwhelming for her. All her feelings toward Gianni, the need to submit, are more than she can handle. They realize their need to work through this deeper connection together.

Gianni is handling the Ava situation as only he can. He has offered her a settlement and a written agreement that she must sign that will give her the opportunity to start over again, but will she take it???

Gianni, Leah, and Kyra are going on a fabulous trip for fashion week, in Zurich, Switzerland!!! Kyra is modeling in the show and perhaps meet the love of her life??? Gianni introduced Kyra to Stephano, his younger brother, a fashion photographer. Gianni and Leah enjoy the sights of Zurich and all that it has to offer at Christmas time. Of course, Gianni has a breathtaking Christmas gift for Leah!!! And another surprise as they are leaving Zurich ;) Book 10 was the perfect ending to this series!! It will not disappoint. Can't wait for the series starring Kyra and Stephano!!!

Thankfully things with Ava was resolved. After that Gianni and Leah were able to focus on each other. I never thought Gianni was capable of such tenderness while still being the dominating alpha I've come to love. Similar to Tanner the love of a good woman changed him. The last few chapters were heartbreaking and heartfelt. I couldn't put the book down until I read the last page in their story. I can't believe that Gianni was the same guy I was iffy about in book one. Just like Leah I came to adore Gianni just as much.

Everything is going great. Ava is out of the picture and Gianni claimed he loves her. Gianni is worried that his love for her will not let him be in control in the playroom but, Leah believes he will. Leah and Gianni plan to go to Zurich and have Kyra arrive a few days later. After a great time Leah doesn't want to leave. In the airport something wonderful happens. Will they both have their happily ever after? Great story

I have received this Arc of Leah's Seduction book 10, in exchange for a honest review! We as readers can always count on not being disappointed with Emily's books. Well that is my opinion any way. Some books may tend to drag, but are forever turning into this fantastic erotic sensation, that I simply can't put down. Leaving me anxious to get my hands on the new series of your creations.

I am sad to see Leah & Gianni's story end but Emily has written their ending perfectly. Their love story was such an amazing read, this whole series I could not put down. I can't wait to read Kyra and Stefano's story next.

### **Tracy Gray says**

The concluding part in the story of Leah and Gianni. The situation with Ava has died down and their lives are back to normal. Leah pushes Gianni for more in the playroom whilst they both come to terms with their feelings. Can both mix? Time in Zurich brings the romantic couple closer and can they have it all? You'll have to read to find out. Great story in all honesty could have been in 2 to 3 books. The whole collection is £20 which isn't worth it. With unlimited I was able to read it.

Fabulous. Gianni had to find his balance as a Dominant with Leah now that love is part of the equation. This is a true struggle for him and I feel like I was with him every step of the way as he works for this balance with Leah. Their sexual interactions are even more intense as love seems to intensify everything for them both. A wonderful ending to this amazing series. Also loved how we get introduced to Kyra's story.

### **Gloria Herrera for As You Wish Reviews says**

The conclusion to this love affair is a feast of love and seduction. Now that Gianni has found what love feels like, his romantic tendencies are given free reign. He realizes what a treasure he has in Leah. He not only loves her, but he adores her. The fact that she has shown him how to be courageous and love with his whole heart feels like a miracle to him.

The only misgiving left on his mind is how things will be in the playroom. Both Leah and him need the playroom. This is where their fantasies become reality. All the satisfaction and pleasure that is possible in the playroom is at stake if he is unable to perform as before by dominating Leah. Will he be able to put aside the love he feels for her in order to be the Dom she has grown to love?

While on their eventful trip to Zurich, Gianni runs into his brother Stephano. For those of you who kept dreaming if Gianni had a brother... well, yes, and he seems to be even more fascinating. Leah introduces Stephano to Kyra, who is also on this trip modeling fashions. The immediate attraction is hard to miss, as Kyra is doe-eyed and shy at first. I can only surmise our author is going to take us on another sensual ride with these two. Hope more of the Rinaldi stories are coming our way soon!

Gianni and Leah has conquered hurdle after hurdle on their way to their Happily ever after and what a ride it was.....

Emily Jane Trent writes romance how romance whould be written, With the right amount of drama and oh so perfect hot and steamy.....

In the final book of Leah's Seduction we follow Gianni and Leah to Switzerland and it makes me want to visit there and everywhere else they have visited in the entire series. The Descriptive writing that we are given is phenomenal and you are transported to every hotel and city Leah and Gianni visit!! You can feel the weather and taste the food too.

I have been a huge fan of this series from the start and just when you think you have things all sorted out and you think you know what is coming next, That is when you are thrown for a loop once again!!

I loved this last book, it was packed full of Gianni and Leah, enjoying their relationship, showing each other how much they love each other, great sex, and a fantastic "scene". I enjoyed reading about their trip to Switzerland, it sounded so beautiful, and I loved how romantic it was. I liked how we met Gianni's brother and of course it was not a surprise that him and Kyra hit it off which will lead us into their own story later. The ending though was the best thing ever, it was beautiful, loving, and a perfect ending to a great series.
