## **Lust and Honor** Harriet Schultz

What happens when the best man is handsome, wealthy and charming and is in love — or it is lust? — with the woman who is about to marry his best friend?

This is a free, 10-page prologue to the romantic suspense novel, *Legacy of the Highlands*.

## **Kara Skinner (Lover's Quarrel Reviews) says**

This is only the prologue of a story that will take two full-length novels to complete. But I'm intrigued all the same. I still don't know if Diego intentionally cursed them or not. I hope he didn't mean to.

Of course, if he didn't mean to, and he really did get the oath from his parents, why were his parents regularly saying a Scottish blessing around him when they lived in Argentina? That does not make sense to me. But this is only the prologue. Who knows what will happen next?

I like Will, Diego's best friend, a lot. As well as Alex, who is Will's wife. They are both really nice and the chemistry between the three of them was great.

The plot is a little formulaic. It actually reminds me of some K-dramas I've seen (Korean Soap Operas) but there's nothing wrong with that when it's well written. And this story is so far. It will be interesting to read more.

---

## **Angie says**

A GREAT teaser ! Gotta check this one out .

---

## **Carrie Sims Schutze says**

Very short but intriguing enough to convince me I wanted more so I purchased the "Legacy of the Highlands," book and so far so good!

---

## **Angel \*\*Book Junkie\*\* says**

This is a short 10 page prelude to Legacy of the Highlands which I will be purchasing as soon as I get through some other books. I like the author the writing style and this prelude was an excellent introduction to the book. I did not read the first chapter Legacy of the Highlands because I do not like to start something I am unable to finish. The prelude was great just not enough substance to love it. Solid three stars.

---

## **Marcia Carrington says**

A sprightly, well-developed romantic-comic short story which leaves the reader with a great enigma at the very end.

---

### **Mitsy says**

Lust and Honor is so good, I immediately purchased Legacy of the Highlands.

---

### **Joe Kenogbon says**

An excellent book with a good suspense that kept me hooked, I couldn't stop reading it. Simply brilliant. Highly recommended.

---

### **Sofia Lazaridou says**

The book is like an unnecessary prequel. Maybe it is like one of those prequels that makes sense only once you have read the first book. I will find out after I read the next book. I think that it could have worked better as a prologue in the book. Now that I think about it maybe it exist only because it is a good way to attract people for the sequel.

---

### **Lynn (Ellesea Loves Reading) says**

I downloaded as a freebie from Amazon. As soon as I'd finished reading this short prologue, I bought and read Legacy of the Highlands.....so glad I did!

---

### **Sha Mslvov says**

I wish it lasted longer.

---

### **Blkvelvet says**

This book is the prequel to "Legacy of the Highlands". I was so good that I put the actual book on my Amazon Wait List because Im anxious to find out what happens.

### **??👉?????✳️✳️!??? says**

*Love this totally love it.*

*I guess what drew me to this book was the best man Diego.*

*Besides him being hot and all he's attracted to Alexandra not only that he's actually the best friend.*

*I haven't come across a book like this at all (ok I could be lying hehe) but I love it.*

*So reading the prologue made me buy the book. So when I get around to reading it will review more.*

---

### **Stefanie says**

Completely hooked already and definitely will be reading this series. In this novella you are introduced to Will, his wife Alex and Will's best friend Diego....at their wedding.

---

### **M3tamorphasis11 says**

Jesus, Mary, and Joseph!

Spit Fire that Navarro is! Daayum!

I enjoyed this fast read. It was very short, but I am currently reading the following book, Legacy of the Highlands. Even more Spitfire! Daaaaayum!

---

### **Marianne says**

From the first page, i got sucked into this engaging story and sighed with great disappointment to discover it was only a teaser; but that is okay - i was hooked so i had to buy the entire book. Great story, awesome book!!!
