## **The Prince's Nanny** Carol Grace

A classic romance novel about an American Nanny who meets her match in romantic Italy by Harlequin author Carol Grace.

Nanny Sabrina West is way over her head. Taking on the naughty twin daughters of Prince Vittorio in his villa on the shores of Lake Como is hard enough. Now the prince wants her to play hostess at his parties. In her new couture clothes she faces the challenge of winning over the twins and trying not to fall for their sexy father. How can Sabrina hold onto her job when her heart tells her the job she really wants is wife and mother?

## **From Reader Review The Prince's Nanny for online ebook**

### **Casey says**

Got this free on my Kindle, not realizing it was a romance novel (not my style). Definitely glad I didn't pay for it. Although a cute story, lots of typos and could have been much more developed. Also, the ending seemed very abrupt to me.

---

### **Donna says**

This was a nice quick story. If you're in the mood for a romantic villa setting, two main characters who have been hurt in the past, a little bit of angst, and a HEA ending, then you'll enjoy this book. If you're looking for something with depth, a realistic plot, and significant personal growth in the main characters - read something else. My only complaint is the too abrupt ending. Makes a good beach/summer vacation read.

Rating: 2.5 stars rounded up to 3.

---

### **Pam says**

I like the fairy tale.  
The nanny goes to a prince in Italy to take care of his twins.

I'd read her again.

---

### **Cary says**

So do you get what you pay for? Sometimes. I guess though that it usually works in reverse where you don't end up thinking that it was worth what you paid for it! Nevertheless, this was free so the expectations were low and I was not disappointed. It was typical although a few times the normal human action or reaction did not readily appear. I'm not too sure that nannies or princes would behave thusly. Not awful but nothing to write home about either.

---

### **Tonileg says**

Cute sweet romance that is light with a little bit of spicy chemistry with the Prince and the

---

### **Michelle sauer says**

Worst book ever and the translation onto kindle was terrible.

---

### **SandraE says**

Another good short read from Carol Grace.

---

### **Meghan says**

Easy, fun & enjoable read!

---

### **Kitty Banda-gowland says**

Even for an easy read I didn't find it very good.

A lot of repetitive character thinking. Confusing dialogue and thoughtprocess.

Cute, traditional storyline though.

---

### **Donna Hatridge says**

This is a fairy tale romance that is fun to read. Carol Grace tells a wonderful story. Suspend reality and enjoy the tale.

Nanny Sabrina West is way over her head. Taking on the twin daughters of prince Vittorio in his villa on the shores of lake Como is hard enough but now the prince wants her to play hostess at his dinner party. In her new couture clothes, she faces the challenges of winning over the twins and trying not to fall for their father.

But how can Sabrina hold onto her job when her heart tells her the job she wants is wife and mother ?

### **Mitzi says**

Free Kindle book May 28, 2012.

---

### **Jennifer Greene says**

Fun, quick fairy tale. But the back and forth banter near the end was a little tiring.

---

### **Kelly says**

Lots of spelling and grammar errors. The ending was abrupt.

The main characters sucked at communicating with each other, which led to more conflict than necessary.

The plot idea was cute though, I just wished the execution was better.

---

### **Hemavathy DM Suppiah says**

Simple storyline, interesting characters and enchanting descriptions of the sights, sounds and smells of Italy. But this book could have done with way more editing and punctuation. The characters too are never well developed, there is no suspense, no villains and the conversations are too abrupt, robotic even.

---

### **Beth says**

Got this free on the Kindle...didn't realize it was a short novel...would have liked a better character & story development. For the short that it was it was ok.
