*Christopher Sebela , Jonathan Lau (Illustrator)*

**Agent 47: Birth Of The Hitman #1 (Agent 47: Birth of Hitman)** Christopher Sebela , Jonathan Lau (Illustrator)

47 and his handler, Diana Burnwood, are a team responsible for some of the most ruthless, efficient and untraceable assassinations across the globe. But before they were operatives of the shadowy International Contracts Association, 47 and Burnwood were on their own separate paths in life — streets lined with blood, bullets and revenge. As 14-year-old Diana begins a mission to track down the people who killed her parents, the one responsible, 47, is struggling to free himself and his brother, 6, from the mysterious Institute which has bred them as killers since they were kids. With a story that stretches from the heartland of America to the Berlin Wall, Lone Wolves will trace the birth of the legendary Hitman and the secret past of the woman behind him who pulls the string and knows just how hard taking a life truly is.

## From Reader Review Agent 47: Birth Of The Hitman #1 (Agent 47: Birth of Hitman) for online ebook

**3nriqu3** says

Basado en el personaje del videojuego Hitman la historia describe los orígenes del Agente 47 y de su compañera Diana. Poco imaginativo, me recuerda los cómics que leía cuando era niño en los ochenta tanto en el fondo como en la forma. Sólo para amantes de la saga.

---

**Ahmed Ejaz** says

*A fine issue. But couldn't make me to want more of it.* So probably won't be continuing it 'cause for me it's not worth the wait of a month!

---

**David Dalton** says

You know, I actually liked the two Hitman movies. Both of them, with maybe liking the 2nd one a little more.

This series fills me on the background of the Agent 47. Looking forward to more.
