Alpha and Armani 2: Capturing A Hitta's Heart A.J. Davidson

Armani is missing, and Mr. Ming left it all up to Alpha to bring her home safely. After searching for what seemed like forever, Alpha starts to lose hope of finding the woman who truly captured his heart. Running into a sweet thing from the past, he slips up and does something that he knows will ruin everything for them. Trying to fix the trouble he caused before it comes knocking at his door, he starts hunting even harder for Armani. However, will he be ready to accept the sight before him or take matters into his own hands and show them just how ruthless he can be?

Armani is working her magic in a different way to escape so she can be back in the arms of Alpha. Going so far as degrading herself to seduce Tommy into letting her go. That's until he starts taking things seriously and now he's fighting for her love again. Tommy will soon learn that his new last name means nothing to Alpha and with a snap of his fingers, Tommy's life could end. In Alpha's eyes, it's death before dishonor, and he will show Tommy exactly what those words mean.

Summore and Omega hit more than a rough patch in their relationship. After having an almost fatal car accident, Omega opened his eyes and saw Summore was where he needed to be... forever. She's fighting for her life, while he's fighting for her love. This couple may have a chance of survival; the only thing that's standing in their way is them.

Life can bring about changes for the worst but sometimes when you add love to the mix, it makes it all better.

The heart of this story is, you have to do the unexpected to get your happy ending. Only thing is, not everyone will get theirs. One couple may learn that they are better off apart than together, and the other will learn that regardless of what you do, there's no turning your back on love.

You are in this till DEATH!

From Reader Review Alpha and Armani 2: Capturing A Hitta's Heart for online ebook

Judith Sims says

Loved it.

Omega is so trifling. Why would her get the girl the car and arm and take them back like that, then wanna snap cause the old man done got his girl. Then, Alpha wanna snap when he catch Armani doing her ex, and he did his. I can't wait to see if he shot her. Mr. Ming going to kill him. I would love a spin-off with Omega and Summore. Both brothers loose, mentally. Loved it, it kept me laughing.

martiajaye says

When I say it's going down

Look ? this book is life! Everybody have something going on I can't believe that things is going this way I hope my girl mani and alpha get it together and he don't kill her. But why did omega take that damn are like that I was dead weak reading that part??? but good book I can't wait for part 3 am mad it ended

KayKay Guice says

???

The cliffhangers got me on EDGE. When Alpha told Omega "If it ain't directed, it ain't respected. You got some sh@t on your mind then get it off now. Don't throw shots like I don't sling bullets, lil bruh...I felt that. This book had me laughing like crazy...probably at inappropriate times. Like when Tommy said he was supposed to be grieving, lol. Or when Mega had dude to snatch that prosthetic arm from Summore. When Mega mom said he got the stupid gene from his daddy side. And stranger danger had me cracking up??. But on a serious noteSummore was selfish, selfish. Tommy gone learn today. And I knew Sassy was hiding something. I'm diving head first into part 3. Alpha & Omega.

Dominique Acklin says

OMG

AJ STOP PLAYING WITH ME. I NEED PART 3 ASAP. I HOPE SOMMORE AND OMEGA WORK IT OUT. ALPHA AND MANI NEED TO GET IT TOGETHER TOO

Ethel M. says**Loved it**

First of all ?Mega and this stranger danger ??????? the chaos gets better. summore bless her heart she catching hell on all channels, Armani a whole punk though but I mean I guess he got tired of looking. Brother Tommy need to die already he annoying as hell..I loved this from beginning to end can't wait for Part 3

TaMeca Watkins says**Im lost**

What the entire hell ?! I can't believe what i just read !!! I know good and well things didnt go down like this !! Alpha better tighten up though cause he aint no saint !!! And that dang on Mega a trip !! But that's bae ?? he stay with the sh*ts ?? Mr James old ass need to take his last breath already ???

Shannon Jones says**That Ending Though!!!!**

Another cliffhanger that left my moth open. Alpha and Omega are the craziest brothers. Tommy is a dirty somebody. I can't wait to see how this series ends. Sassy is trifling too. Mr. James is something else with his old self. Summore's glow up is going to be everything.

Pam Smith says**Great book**

I enjoyed reading this book it was drama filled the book had me mad at times some of the things the characters would say or do and the book had me laughing mostly at Mega he is a fool for some of things that come out of his mouth. But I loved the book the author did a great job keeping you entertained.

Michelle says

I hope Alpha didn't hurt Armani when he isn't innocent himself. Tommy was a snake loyal to no one but himself. Summore has to much going on Mr. James is crazy will Mega save her or will it be to late. Sassy has a story and I can't wait to here it..... Why would she keep abandoning her son....Hurry up part 3.#868

Charlotte Bembry says

Wow!

There was a whole lot going on in this book. Tommy turned out to be Alpha and Omega's brother, but he is a real snake in the grass. I was so glad when Alpha was ready to kill him, but he can't kill Amani. Omega was wrong to take everything back from Sommore. He just needs to get her back and continue to build a relationship with her. I can't wait to see what happens in book three.

Stephanie McLendon says

Back to Life!

Wow Mani has been kidnapped and Alpha is going crazy. Omega is so sweet as he does everything in his power for Sommore but she does not see his value yet. Sassy is a trifling, ratchet azz chick. As Mr Ming sits and waits for his daughter to be found, Tommy is the only one who holds the information but does not tell where she is because he is trying to get back. Alpha is trying to find his boo but when he does will it be the end???

tanessa ford says

Man look

This book has me all messed up. Everybody done messed up Mani & Alpha! He mad at her because of Tommy but what about Nellie! He conveniently forgot about that smh! Mega done messed up with Sommore and it was over a lie! Everybody is doing the most part 3 bout to be a hot mess.

Deonka Holmes says

Good book BUTTTTTTTTTTTT

Now I seriously got pissed when alpha kept mentioning that he had someone watching tommy .. if he was being watched like they said he was Armani would have been caught. Tommy kept going out of town to a dog on warehouse RED FLAG .. the 30 days later he so happens to find her cause the look out ..you know read the book so it can pee u off too.. but good book tho

Q Owens says

A MUST READ!!!!

Yes AJ, you outdid yourself with this one. Mega pissed me off in this one I hope he redeems himself in the

next part. I still love Alpha and Armani together. I hope they work it out. I would love to read a spin-off with Summore and Omega. I absolutely loved this book. It's most definitely a must read. I can't wait to read part 3...great job....

Jeanida Luckie-Weatherall says

Great Read

Picked up right where the last installment left off. With drama and more drama, then throw in the lies, secrets and betrayal made a great read. Summore had so much going on and Mega got on my last nerves. Hope he gets it together in the next installment. Still love Alpha and Armani together and I sure hope they can work it out. They both have made and done things wrong. So hope it was Tommy who got in at the end. Sure hope Mega and Summore get a spin-off. Highly recommend this series and can't wait for PT.3.
