My son loves playing with the moveable parts of this book which also had a nice rhyming pattern - I'll be keeping an eye out for more of this series!

Vanessa says

Cute rhyming and repetitive text follows *Bizzy Bear* as he explores under the sea. Each page of this board book has an interactive feature for the kids to enjoy the book in a tactile manner. This is cute, feels sturdy and the kids will love it. Recommended for ages 2-4.

Kristi Betts says

BIZZY BEAR: DEEP-SEA DIVER is a wonderfully constructed board book by Nosy Crow. This movable parts book provides wonderful interactive parts on every other page. The small holes are the perfect size for "little paws" as they say on the cover of the book. The rhyming text will have even the youngest readers joining along with a sing-song beat. Recommended for any library circulating board books for children.

Davies, Benji *Bizzy Bear: Deep Sea Diver*. BOARD BOOK. Nosy Crow (Candlewick), 2015. \$7.

Yeah *Bizzy Bear*! Four short page spreads and sturdy tabs to move around. Join *Bizzy Bear* as he dives into the deep blue and discovers new wonders.

My grandson loves these books. While the rhymes are not inspirational poetry, the books are fun to maneuver and the tabs are very sturdy, able to withstand major punishment.

Pre-K – ESSENTIAL. Cindy, Library Teacher

Movable pieces make a fun addition to the story which reads like the familiar rhyme: *Teddy Bear, Teddy Bear*.
