## **Elsie's True Love** Martha Finley

As the saga of Elsie Dinsmore continues, Elsie is now twenty-one. Love and marriage are very much on her mind as she struggles with disillusionment from the past and the doubts that still trouble her heart. Old friends may hold the answers, but will she recognize true love when it is offered?

## **From Reader Review Elsie's True Love for online ebook**

### **Kristin says**

While this book seems to focus on Elsie's True Love, it also emphasizes her adulthood. She begins to learn about her responsibilities as a landowner and slave owner.

---

### **Miriam says**

Really good!!

---

### **Katie Sheetz says**

This is a great read. I kept thinking Elsie had feeling for Edward and he for her but I was glad to know I was right. They do make an odd couple (16 year age difference), but I still think they are perfect for each other. And the twist with Jackson on the end was a cliff hanger for the next book.

---

### **Jenna says**

I really enjoyed this book!

---

### **Katerina says**

I love Elsie and I hated it when Bromly tricked her in the last book. He deserved to DIE. but anyways, it was a shocker when I finally figured out what was going on between Elsie and Edward, and I kept denying it. But in the end I was really happy. I hate how jackson still isn't dead, but at least the Travilla "Vanilla"'s live happily ever after, for now. Oh, and the book shows the gender steryotypes amazingly well through Elsie's meeting with Mr. Spriggs!

### **Becky says**

I present to you a g-chat between myself and Jasmine which is all the time I shall waste on this book:

Me: Lol

Of the three [from this series that I have read], this is the best

Jasmine: Explicit fellatio?

Me: I actually really like Edward, he's a "rebel" i.e. an abolitionist and a baby feminist  
But get this, he's the dude she's going to marry. He's also the dude who wanted to adopt her in book 1

Jasmine: What  
The  
Fuck  
How much older?

Me:RIGHT  
16 years  
Which is not that bad  
Except he's her father's best friend and has basically been an uncle to her her whole life

Jasmine: 0.0  
Sexy

Me: People keep commenting on the age and giving all these examples of worse age gaps and I'm like 1.) Doesn't make it okay and 2.) It's not the age that makes it creepy, it's the relationship  
But aside from that, he's my favorite character

Jasmine: Hoooooo boy

Me: Not saying much, eh

Jasmine:Yeah  
Just a tad

### **Kellyn Roth says**

I admit I went, "Awwwww" at some parts of this book ... partially because it was familiar yet new yet adorable ... which was a weird but overall positive feeling. ;)

---

### **Jordyn Evans says**

I am not a religious person but even I find these books to be enchanting. Elsie is a character that you just cant help but love. Her life as well as love story is captivating. Unfortunately this book series is written for a younger audience, this took away from the book and made it boring at some parts.

### **Jacqueline says**

I thought this book was amazing! After waiting so long to read it and receive it, it was better than ever! The whole marriage scene was wonderful! So happy.....

---

**Jennah says**

If you ever want to know how a godly woman should be and what she should be looking for in a godly husband then please read this book. Excellent book.

---

**Hannah says**

Another wonderful Elsie book! The romance was sweet and adorable, but not the main part of the story which I appreciated(well, it was most of the book, but always still pointing to Jesus, etc) Love this book! So much wisdom in it. <3
