Her Stepbrother's Demands Meg Watson

Book 1 of the completed 3-part serial

“There’s nothing to stop us from taking what we want. Do you agree?”

Her whole life, Camille has been haunted by urges and desires that she can’t explain, but she knows they are wrong. By applying herself rigorously to her studies and drowning herself in work, she’s been successful in her efforts to distract herself from her deepest needs.

But while Camille may have thought she was cleverly suppressing her feelings, William witnessed all of it. Son of a billionaire legacy and bred to a life of excess and pleasure, he doesn’t have the same willingness to resist temptation. In fact, William embraces every desire... **no matter how dark.**

And now it’s time, he thinks, to see just how far Camille is really willing to go. All she needs is a little push...

***This dark, erotic romance is not intended for readers under 18. contains mature themes including taboo love, light bdsm and spanking. Cliffhanger warning! Contains sexual and strong language.**

Donna Feibusch says

A Great Read!

I liked reading Her Stepbrother's Demands: Taboo Billionaire First Time Dark Romance (Her Dark Desires Book 1), all about William DeCosta her step-brother & Camille his little sister who works in the IT department at his father's firm. The author wrote an interesting story, and the characters brought the story to life. If you're into taboo and like to get hot and wet then this story is for you. Camille has worked in the IT department for the last few years since she graduated high school, she feels completely invisible whether at work or at home. She has always had a secret crush on her step-brother, but it seems he has the same feelings! Check out their taboo attraction, and then read book two!
