Only Pleasure: Part Two

Lora Leigh

Only Pleasure: Part Two Lora Leigh

Sinful pleasure and forbidden desire rule in the second part of #1 bestselling author Lora Leigh's novel Only Pleasure, previously published in trade paperback and now exclusively in e.

Kia is a dream Chase has not allowed himself to entertain. Now that he has her, it's her heart he's after and he's determined to win it, no matter the cost. And even though they both agreed that it would only be for pleasure, a feeling deeper than all-consuming lust and illicit pleasure has taken hold of them...

From Reader Review Only Pleasure: Part Two for online ebook

Sheila Melo says

FINAL DECISION: After the developments of the first part of this novel where the sexual relationship between Kia and Chase began, this book is about the emotional connection developing between them. I feel that this book is the guts of Chase's emotional journey but you have to read the last part to know what happens.

THE STORY: Kia and Chase have entered into a sexual relationship that involves a third person. Kia has decided that merely being involved with Chase sexually is not enough for her and demands that if he wants to see her, they must have something more than sex. Chase who has spent years distancing himself from intimacy doesn't know how to respond when he thinks he should stay away from Kia but can't resist her.

OPINION: I liked this portion of the book because Chase is really beginning to be challenged here. He thinks that he has everything figured out but he can't seem to get Kia out of his mind. Kia also begins to change here. She is done being a doormat and instead demands what she wants. This portion is Kia's empowerment and Chase's downfall. Just as he begins to want her more than he expected, he is now afraid that he needs her more than she needs him.

I like these characters as they are developing their relationship both in the bedroom and out. This portion of the book also pushes forward the suspense story as Kia is in danger. The question is who is trying to hurt her and why.

By the time this part finished, I was certainly read to read part three to find out what happens.

WORTH MENTIONING: Please read my review of part one before reading this review.

CONNECTED BOOKS: This is the second part of the full novel which has been divided into three parts and thus must be read together. The book ONLY PLEASURE is book 10 in the Bound Hearts series. This book can be read as a standalone.

STAR RATING: I give this book 4 stars. This review was originally posted on Top10RomanceBooks.com

*** ARC kindly provided by the publisher St. Martin's Press, via NetGalley in exchange for an honest review. ***

This was the second installment for book 10 in the Bound Hearts series.

Chase and Kia both thought that just the pleasure would be enough. Kia wants more and so does Chase but he fights his feelings. Chase hasn't let himself get close to anyone lately. Do you keep on fighting for someone denying his feelings or do you let them go. Going doesn't go easily. Let's hope Chase will give into his feelings in time...

This book was H.O.T. There were some very steamy scenes in it and I loved the chemistry between them!

I'm ready for installment three and that HEA they both deserve

Katherine Yearwood says

Being estranged from a family member would be hard on a person, but it's even worse when he was your twin. Chase has gone through a lot and to finally get his twin back, just to almost lose him again, took a toll on any personal relationships that he decides to have with any women.

Now that he finally got Kia, even though they both came to the decision that it's only for the pleasure, came to ahead in the 2nd part of Only Pleasure, when an unknown enemy of Chase elects that attacking Kia was the way to get to Chase.

Whereas, Only Pleasure Part 1 was about the pleasure... Part 2 is about the emotional entanglement that Kia and Chase would have to face to determine if it's only about the pleasure.

Again, this book ended in a perfect spot, and the development of Kia Chase relationship was more felt than it was in the 1st part.

~~I received a free copy of this book to read and review for Wicked Reads ~~

This is the second part of the story - do make sure you read pt1 first. This is part of a longstanding series, so there are many side characters from previous books - it is however possible to enjoy Only Pleasure on its own.

Now that Chase has indulged in Kia, he is realising that she has somehow got her under his skin - this amuses his friends no end, but certainly doesn't make him happy. After a difficult youth, he is sworn off relationships - just for pleasure is his motto - and Kia is causing him to re-evaluate his rules. At the same time, she is coming out of her shell and working hard to get her life back. However, there is someone out there who does not want her to live again, and her safety is definitely in question. All these things in one installment leave a lot of questions to be answered in the finale - and I am looking forward to finding how they are all resolved.

Nay Denise says

Received an early copy of this book for review.

My main question is who in the hell wacked Kia upside the head and stole her purse? Who is trying to use

her to get to Chase?! Drew needs to back the hell off. Kia is a fierce woman. Chase...I just love him. They are both growing. I can't wait to see them together!!

Jennifer says

ARC received for review

The bedroom scenes just keep getting hotter as Chase's dominant comes out to play. He's still fighting falling for her and struggling with it.

Loved Cameron teasing and picking on his brother. That was great

Who is this creeper who wants to hurt Chase? Is it her ex or Moriah's family or someone else?

Rachael Orman says

I received a free copy of this book to read and review for Wicked Reads

This installment of this series was a good second part. We got to watch as Kia and Chase became a couplet instead of a threesome and it was sweet. I really liked watching the relationship start to really bloom between them. However, I still didn't like that we were just supposed to roll with the fact that both characters had these long standing emotions.

The threat that there is still something bad lingering around Kia and Chase is there and I can't wait to get a resolution for it. And I can't wait until they both get over their fears and finally confess to their feelings.

I will say that while I think the bedroom scenes are hot, I do feel like they are quite heavy throughout the book and I find myself wanting more casual interaction between the two of them to show that they can get along and have a normal relationship when they aren't doing naughty things. I also wouldn't mind seeing more of Khalid since he brought a little something special to them even though he was the third.

Sissy's Romance Book Review says

'Only Pleasure: Part 2 by Lora Leigh. This continues the story of Kia and Chase.

Kia is starting to want more from Chase than just sex with him and Khalid. But Chase has a lot of past issue as we know that he needs to work through. Kia is starting to come out of herself and moving forward in life. Can these two work to build something more than just sex?

"My honest review is for a special copy I voluntarily read."

A Hopeless Romantic's Booklandia says

In *Part Two of Only Pleasure*, we continue the story of Chase and Kia. It shows us the struggle that Chase has within himself. It really is the book that pulls everything together and makes me so impatient for *Part Three*!

~ Lydia, 5 Stars

I received a free copy of this book to read and review for Wicked Reads.

Chase Falladay has nearly lost it all in his short life. Losing his parents at an early age, then being estranged from his twin almost killed him. Now, as life is starting to look up for both him and Cole, Kia Rutherford strolls back into his life.

He's done is best to keep watch over from afar, but realizes he's failed her when he finds out that her deplorable ex-husband, and member of *The Club* has been harassing her. Again. Determined to make that low life scumbag leave her alone, he's willing to whatever it takes to keep her safe. Except love her. Be with her. Make her his.

The only way to keep his heart safe is have Khalid with him when he introduces Kia to the world of menage. And even then, he knows that nothing is safe when it comes to Kia.

When Chase learns that Kia has been hurt in a mugging gone wrong, he feels the mantle of guilt weigh over him and his inability to keep this one lone female safe. Imagine his further surprise when he learns that Kia isn't willing to accept any further trysts with him and Khalid. Its Chase or nothing.

Chase knows that there is something going on that he can't see. He can feel the tingles of danger all around and he must do what he can to keep the woman he loves safe. Even if he can't bring himself to show her the true Chase.

Erika Shannon says

Arc given via netgalley for an honest review.

Chase has demons that seem to get in his way. Can he get past those demons and fully be with Kia or is it only for the pleasure.

Kia wants to be with Chase without his third and what is Khilad hiding.

This series is so great. I cannot wait to read book 3.

Mindy Lou's Book Review says

I am in love with this series! Not just Chase's story, and I have only read Cameron's before this, but I've read enough of all the characters from previous books in this series that I am anxious to go read them all. Lora Leigh does such a good job of creating an intense bond and sexual tension between the MC's that I'm glued to my kindle. Normally I would hate how hard the men fight falling in love, but the way she writes them fighting while not being able to stay away and their possessiveness is just so much fun to read. I love it that all the other "fallen" men get great joy out of Chase in his struggle with his feelings and how they goad him. This story is really heating up, in more ways than one and I can't wait to delve into Part 3! ARC provided by NetGalley.

Erica Barnes says

Kia is really coming into her own in this second segment of the book. I'm not usually a fan of ultimatums but in this case it really is the right thing to do and I love it when the author does what I want them to do. :) It is always awesome to read about a woman finding her strength and making decisions that move her life forward in a healthy direction.

Christine Galletly says

This was a well written series of books (I read them in the three instalments).
The content flowed, it had a really good story line and excellent characters.
I am glad that I had all three parts to read one after the other as it did grip me!
Would definitely recommend - 5 stars!!

Heather says

This is the second of three parts of the novel Only Pleasure. I thought the first installment was smoking hot but this second one was even hotter! If only Kia can get Chase to admit that they have something going on between them! Although if Chase ever figures it out, things are only going to get hotter, even without having a third in their bed! Can't wait to see if he figures it out or if Kia really will have to slap him over the head by leaving him again.
