**Seduction** Jaymin Eve , Jane Washington

*Willa Knight: Dweller? Sol? Accidental evolutionary hiccup?*

Willa has never been a particularly useful dweller: she isn't very good at chores, she isn't very good at worshipping, she isn't very good at not having opinions, and she isn't very good with rules—but none of that matters anymore.

The rules are changing.

The dwellers are trying to make their own way in the world, and Willa can't seem to help getting tangled up in their plans.

Luckily, she has the Abcurse brothers to help her out—until she doesn't, and suddenly she's alone again in a world on the brink of chaos. With the Abcurses gone, she'll have to rely on her wits, and her sister Emmy, to stay under the radar and survive.

Because someone wants her dead.

*But, really, what else is new?*

## Karen says

[ WHAT THE HELL WAS THAT SEX SCENE? She was upset because her mother is now dead, and then she gets all horny. I thought she was depressed, and then everything the mother supposedly means to her becomes nothing. Nothing because hormones rule Willa. First she gets al

That's it? I can't wait for the next book!

5 out of 5 stars??

*"What I actually said was that you are ours. I've claimed ownership of you, Willa Knight."*

I AM DEAD RIGHT NOW!!! I've died and gone to heaven!!!! This was an emotional ride for me and I loved every second of it. The love between Willa and her boys have stepped up to the next level in this installment, it was just so damn cute, adorable and sexy?!

Now for the review?, this book was definitely more on character development and how Willa has a much bigger role with the Gods then she anticipated. You also get to see the plot moving along quiet well, along with finding out how Staviti became the creator.

While I was reading, so many questions started popping out like "Who the hell is Willa's father?! How did he get inside Topia so that Willa can drink the water?! And what kind of being is she?!" I have so many questions right now but I know it'll all be answered once the last two books get released?! I hope it won't be too long (please book gods)??

Overall, I **REALLY** enjoyed this book. I'm still debating on whether I like this book more than Persuasion (that's saying a lot!). Persuasion dealt with the political aspect, while Seduction was more character driven. For now, I'm gonna have to reread all three books again to determine which one I like the best, but right now I'd say their all pretty even on my scale?.

I swear, the books just keep getting better and better with each installment in my opinion! And I hope the authors will continue to exceed my expectations even more now?!!

**Update 9/12/2017:** WHY IS NOVEMBER 30TH SO FAR AWAY!!!!??

**Update:** I LOVE the dress Willa has on for this cover... but for some reason I imagine her tripping on it and

fall straight on her face?

IM SO EXCITED TO READ THIS NEXT INSTALLMENT!!! I have very high hopes for this series ♥?

### **Danni says**

This series is one of those that you wish you had started after all of the books were released because waiting for the next in the series is torture! I just finished Persuasion and I already crave the next installment. Release date?

### **Spax says**

I love this series. Can we please fast-forward time to the release date?

### **Helen 2.0 says**

This series is like a fungus:

-it's a little bit funky.

-it develops in weird ways.

-and if you're not careful, it grows on you like crazy.

Seduction is the third book in the Curse of the Gods series and the best yet. Jaymin Eve's fast-paced crazy/hilarious plot and Jane Washington's obsess-worthy relationships finally come together perfectly. Where in the first two books the romance felt rushed and the story felt chaotic, in Seduction everything somehow clicked into place.

My new favorite is Rome. I'm a sucker for the gruff outside, sweetheart inside trope. I picture him as the model Gui Fedrizzi.

Yes please! :)

TEAM ALL BROTHERS XD

i'M SERIOUS. I WANT WILLA TO GET TO KEEP HER HAREM.

AND SMEXY SCENES. GIMME SMEXY SCENES.

### **Vicky says**

[ the sex scene needed to be longer and more detailed. It was almost like it was just Willa and Rome and Yael was just there being ignored, did he... um find his release? I'm a kinky reader and I demand next time there's a threesome we get a clearer picture. (hide spoiler)]

### **♥Rachel Anne's Romance Must Reads♥ says**

5 friggin' stars! It was everything I was hoping for. Worth the wait... although I'd really like to not wait for the next book.

I always worry that during a longer series, one of the books will sort of drag so I was super happy to find that this wasn't the case. The story is just as entertaining as the 1st and 2nd.

Since it's a 3rd book there's not a lot I can say that won't give things away but what I wanted to happen?...Effing YES! Finally!

Willa is still hilarious and I adore her. The guys?

\*swoon\* and I still don't have a favorite! How these authors managed that, I have no clue.

Love this series! Must read.

Actual Rating 3.5 stars

I can't help it, but I really like the reverse harem going on in this series. I have to move on to the next installment to know how it evolves.

ERMEGHERD. YAS. This was the best!

You get an Abcurse and you get an Abcurse and you get an Abcurse!

Well, not really, cuz they are ALL MINE!!!!!!!!!!!!!! Hahahahaha

This book really pushed it over the top into the LURVE ZONE for me. It made everything that came before worth it. So much happens. Trust me, you WILL BE PLEASED. If not, then your name must be Ronald or Jeffrey and you must be a Server on Topia (which means like a robot with no emotions).

When it got to like 62%, I was like:

And THEN, not too long after THAT, there was another scene... oh man. Just read it. The best.

Swoon.
