## **Bitch Reloaded Deja King**

The femme fatale of the streets is back and she's deadlier than ever. Precious miraculously survives her brush with death, but the celebration is cut short when tragedy strikes. Convinced that Nico Carter is responsible for ripping her world apart, Precious' sole purpose for living is to make him pay in blood. The street life that she left behind calls her name as Precious wreaks havoc on anyone who stands in her way of getting revenge. While on her path of destruction, new enemies arise and old friends resurface, complicating Precious plans to bring Nico down. But soon she realizes that everything isn't what it seems. Will the dark road Precious travels finally lead to her own demise once and for all?

#### **Precious**

Joy Deja King does a good job. She takes her time to writing this book. I decide to reread this book because I want to refresh my mind about this character (Precious) and the rest of characters. This is not my first time to reading this book. Joy Deja King is a beast when comes her writing skills. The characters are crazy and dramatic. The storyline is on point.

Precious will not let it go her past until she gets her revenge who's destroy her life and her family. Pretty Boy Mike is a con artist. Nina is a something else. Aaliyah is officially born. I'm shocked and surprised about Supreme.

I'll definitely continue to support and read more from this author.

Good read:

I hated this book. The prequel was great and I thought this one would be the same, but it was horrible.

### **Khalilah Whigham says**

#### **Yes**

This book is as good as I remembered it. I'm trying to read them in order & I'm glad I did because I'd forgotten about a lot of these characters. On to the next installment

#### **Love it**

I really love this book and would read this and the other books in the series a thousand times because this is one amazing series. It was good to see that supreme was still alive and am glad precious never had sex with Mike because if she did than later found out how he was involved in killing him she would never forgive herself.

This book did not disappoint, I loved every second of it. It was a tiny bit predictable in some ways but the unforeseeable twists are what really made this book outstanding! I am happy to report that the author did a magnificent job of tying her first book into this one for those who haven't read it or haven't read it in a while. She told the back story without being redundant for those of us who might have just finished part two and didn't need a full recap. My jaw was on the floor almost the entire book and I could not put this novel down. Precious is a force to be reckoned with, I don't know why people are dumb enough to try her. She ALWAYS comes out on top. The sometimes unbelievable drama never stops, if it isn't one thing it is another but her tale is so thrilling and entertaining that I am going to order part 3 right now! I never thought a book series could pack so much non stop heat. Great job Deja King!

The once known Precious Cummings from the projects is a thing of the past; we're now acquainted with Precious Mills, wife of rap mega superstar Supreme. Precious is living the life of a true Boss Bitch, happily married with all the perks included when once again an abrupt tragedy makes her world turn cold. "Love for life", is the motto that Supreme and Precious live by, an underlining slogan that defines the loyalty that they share for each other. Precious holds no bars when it comes to what she will go through to protect her Husband's masters, and his legacy. Almost as if there was a target on her forehead and the motivation for all the drama that surrounds her, Precious fights her way through survival in attempt to uncover the truth of Nico Carter and her Love for Life.

In Part two of Deja's Bitch series we are reintroduced to Precious's child hood friend Jamal and his soon to be Wifey and ex-video chick Nina. The ultra slimy Mike is back at a vengeance with his true quest to win Precious's heart.

Bitch Reloaded was pure fiyah and definitely a series to be added to the street lit classic collection. I give it a solid 5 stars, and am whole heartedly head over heals for Precious Mills. In Part 2, we see a softer more maternal side of Precious, yet she hasn't lost that hood instinct and gutta edge. She handles her Bitch well and never leaves home without it. Great, fast paced read, had me turning the pages like a speed freak. Real talk.

### **Lesa Divine says**

Precious on a roll again trouble keeps finding her. After she gets out the hospital the love of her life is taken

away from here. She wants revenge and go out trying to get help to find Nico to revenge Supreme's death and that lead her into more trouble with blood being left behind.

Mike want to be in Precious life and try to get her under his leash saying how he want to make love to her mind, body and soul. Precious fall for it and feel she can have something more with him. Mike helps her out of trouble and uses that against her.

Precious old friend Jamal pops up in the picture and they become good friends. Jamal want Precious to do eye spy on his girl Nina because he thinks she cheating. Precious not into having girlfriends and really didn't like Nina but, then she started to see she cool. One thing lead to another. Nina had her own reasons for wanting to be friends with Precious.

Maya Mikes sister ends up becoming good friends with Precious and also Precious and Maya hold a deep secret that only they know plus Nico.

When Precious find out that Nico didn't have anything to do with Supreme's murder she went into action working on a plan that did come though but, it came though to the point at the end everything lined in place for Precious.

Book was good now on to part 3 :)

#### **So good!**

That Mike was a grimy nut case. I still like Nico even though he tried to kill Precious I was kind of hoping that they got back together. I glad that Supreme was alive though, I like Maya and she is all for being down for Precious, I can only imagine what Aaliyah is going to be like.
