## **Cantarella, Volume 5** You Higuri

When a pair of seductive eyes comes between Cesare and his brother Juan, the escalating tension between the two finally explodes in a frenzy of rage. Will Juan's blade find Cesare's blood glistening on its edge, or will Cesare's ever-quickenening descent into madness lead to a much more gruesome end for his dear brother?

## **Diane says**

Summary:

On Earth, pouring boiling water over a bowl of instant Ramen means you're hungry. On Planet Cup-Ramen, the women are human sized and the men are three-inch tall. Instant sized men need to be brought up to human size by, you guessed it, pouring hot water on them! It's also a proposal of marriage.

Sumire - a lively 16 year old boy, was only hungry when he bought this peculiar looking cup Ramen from the shop. Little did he know that it was actually the space ship of the pint size Prince Kanmen of the Planet Cup-Ramen! Prince Kanmen is very persistent; and Sumire who is caught in between various fiancées, older brothers, younger brothers, obsessive SM handmaidens and pop stars, he may just end up marrying Prince Kanmen out of sheer exhaustion!

## **M.A. Ray says**

OMG, the art.

---

## **Elisabeth (Enthralled by the Written Word) says**

So much intrigue and demonic magic and I just love this story.

---

## **Dorian de Jandreau says**

Finally I got what I wanted. Had to wait for this... 5 books. Now let the fun begins...

---

## **Starbubbles says**

i must say, even though i don't agree with the heavy demonic usage in this series, it was illustrated beautifully. i still think that it would have been more interesting if people just accused cesare (and if anyone realizes, vanoza) of being a demon instead of being full-blown demon. but this was how higuri envisioned her cesare, so i guess i can't really be angry for how she choose to build up her own characters. or maybe i can, mwahaha!

## **Kassilem says**

This volume deals with Sancia, Jofre Borgia's wife, which history rumors slept with multiple men and Juan's

death, which is still historically unclear. The series takes the stance of the most popular rumor, that Cesare killed his brother. Volpe is a character that I'm not sure what to think about. Chiaro is my favorite so far. And with Cesare acting more ruthless, he's a little lost. Poor Chiaro. The artwork is great, the story is fairly engaging. Recommended if you like the Borgia history.

### **Nawal Al Hosani Scorpion DOADA says**

Amazing Story..... A perfect mixture of history and fiction..... One of my favorite titles..... Ever Green in my heart..... Love you Cesare.....

---

### **Lanie says**

A very dramatic volume with heavy focus on the demonic side of the story, and on Cesare and Juan's crazy, violent relationship. You're brothers you're supposed to love each other!

Towards the beginning of the volume, I was actually feeling a little sorry for Juan.... Then he started torturing my sweet baby Chiaro & I hated him again.

A very good volume and offered us quiet a bit of character growth for Jaun, bringing him up from just an annoying dick to a more rounded, fleshed out antagonist.

Beautiful art.

Highly recommended for fans of manga & historical fiction.

---

### **Steph says**

Volume 5 of Cantarella features even more family drama.

---

### **Dexter says**

Mostly just uninteresting. I was rather impatient for it to end the whole time. I doubt I'll be continuing the series any more.
