Thirty-one exuberant full-page illustrations to color feature dragonflies in imaginative renditions of natural settings. Inspired by Zentangle, a mode of repetitive patterns, the sweeping designs incorporate a dazzling array of flowers, leaves, and swirling interlocking shapes. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, *Entangled Dragonflies* and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.
