## **From Reader Review Invincible Iron Man (2016-) #597 for online ebook**

**Tiago Andrade says**

Is it wrong that I really like Victor Von Doom? Tech and magic looks awesome in his hands. I want more of the Infamous Iron Man! He is complex and has a great story! Riri is good, but I like the gods

**Vinton Bayne says**

Such a great issue! I want to read Riri and Doom's Iron Man stories forever!

---

**Sans says**

Guessing Tony won't actually be "back" until issue 600 at this point.
