Living on the Ragged Edge: Finding Joy in a World Gone Mad

Charles R. Swindoll

Living on the Ragged Edge: Finding Joy in a World Gone Mad Charles R. Swindoll

The ultimate secret for "the good life."

In the never-ending quest for fulfillment, we sometimes convince ourselves that life would be better if we just had a different career . . . more education . . . a new spouse . . . a fresh start in another location. The solution to life's challenges, we think, is just around the corner, a few steps ahead?always just out of reach.

Living on the Ragged Edge opens the pages of an ancient journal?the Old Testament book of Ecclesiastes. In this very personal, unbelievably honest book, King Solomon chronicles his search for satisfaction, experiencing *everything* the world offered. The wisest man who ever lived, he certainly had the intelligence *and* the vast resources to pursue whatever his heart desired?from personal riches to sexual pleasures. Solomon had it all. He did it all with abandon. And he came to the end of his days with the ultimate secret for the "good life."

Do you want to know the secret? Do you want to know how to find joy and peace in this world gone mad? In this bestseller, Charles Swindoll delivers his characteristic insights and wisdom in an exploration of the book of Ecclesiastes and brings home to you Solomon's powerful message for living at its best.

From Reader Review Living on the Ragged Edge: Finding Joy in a World Gone Mad for online ebook

Joyce says

Borrowed from church library.
Read 15 chapters, did not read 16024. Study in Ecclesiastes.

Margaret says

I have thoroughly enjoyed every Chuck Swindoll book. This was a powerful devotional read for me.
I have read it several times.

John says

Rated: C+

Prince Oricha says

Automatically ascends to my top ten book list. Chuck systematically goes through life applicable principles from the book of Ecclesiastes brilliantly and engagingly. I've begun to apply them and I already am seeing the pragmatic essence of wisdom in daily living

Nick Woodall says

Good comfort book to read.

Neil Steinwand says

The first devotional commentary on Ecclesiastes I read.. and still a powerful call to a dangerous life not lived "under the sun"

Susie says

A great look at Solomon's journal Ecclesiastes. The bottom line is to remember your Creator today because everything you do here on Earth does matter. Enjoy your life and don't let it pass you by without you doing

great things for God.

Bob says

A friend recommended this book during a time in my life that I was lost and just beginning to find my way - I was 40! Mr. Swindoll's presentation of the teachings of King Solomon were life changing for me and the book remains one of my most cherished reads. I've purchased numerous copies that I've given away to others who found themselves lost on the road to faith and understanding.

David Prieto says

Chuck is a great preacher, we had the privilage of hearing him on two occasions when we lived in Fullerton CA . Love his ministry.

Cori says

This book was great, but a little long and verbose. It would be nice if Chuck Swindoll could put together a more concise version. He does a great job, however, of covering the book of Ecclesiastes in his typical, practical, down-to-earth style.
