## Matchmaking With A Mission B.J. Daniels

The most stubborn of the Bailey sisters was back in town, and determined to start a horse ranch. She'd set her sights on the long-deserted Harper House and no one was going to change McKenna's mind--not the enigmatic Nate Dempsey or the superstitious folk of Whitehorse, who wanted her married off. Now that the gossips' tongues were wagging, the sinister rumors plaguing the house had resurfaced. And though McKenna refused to be scared off, someone was trying to run her off the property. Luckily, Nate had always been there to protect her--and Whitehorse's matchmakers wondered, would the mystery man become a permanent fixture in town?

## **From Reader Review Matchmaking With A Mission for online ebook**

### **Sherry says**

A definite good read; B.J. Daniels has shown she has a talent for telling a complete story unto itself; yet has that ability to make those single complete stories into an exciting series such as her “McCall” series. A must read for Western/Contemporary Romantic Suspense readers.

---

### **Donna says**

Great book.

---

### **Diana McVicker says**

All of this author's books are great!!

---

### **Suzanne Marble says**

This book is a great read if you pay attention to detail. This book takes a lot of context clues to understand but is worth it in the end. It had a great surprise ending and left me satisfied. Although not so much love as others I have read it shows independence and stubbornness of a women.

---

### **Sonali Rakesh says**

Perfect from start to finish. A very gripping and compelling read.

---

### **Pamela says**

#### **Awesome**

Love reading BJ Daniels books and am looking forward to reading more of her wonderful books. Bring on more books

---

### **Paula Legate says**

I just didn't enjoy this book. It started out with the point of view from a disturbed man. His mother had left him at a gas station when he was only 7. Afterwards he was taken to Harper House. It was a house with boys that no one wanted. They were not really cared for while they lived there.

McKenna had always wondered about Harper house when she was growing up. She bid on it, and won it from an auction. She had lots of dreams for the house and property. Shortly after she moved in she found a blood oath by young boys, and they stamped it with bloody thumb prints. They vowed to come back at a designated time and date to hurt those who had hurt them.

The suspense was good. I tried to get into this book, but I just couldn't.

---

### **Sara says**

I picked this up for a quick read. It was confusing for much of the book, which I suppose could be construed as suspense, but it wasn't really. And what romance there was came at the very end and with no real lead-up. Curious all around.

---

### **Linda says**

#### **Fantastic!**

The mystery and sadness surrounding Harper House come full circle when the last Harper finally dies. This one broke my heart while reading it. McKenna and Nates story is many things, but for me it was about all those lost and helpless little boys. Loved it!

---

### **Tasneem says**

An interesting read. A bit confusing, because characters are introduced that don't really further the plot, but I suppose make sense with the series as a whole. Not bad though overall.
