**McBroom's Wonderful One-Acre Farm: Three Tall Tales** Sid Fleischman , Quentin Blake (Illustrator) , Marilyn Hafner (Illustrator)

When Josh McBroom learns that the eighty acres of Iowa farmland he's purchased are all stacked up on top of each other at the bottom of a muddy little pond, he thinks he's been bamboozled. But McBroom knows he's got the better of the bargain when the pond dries up to reveal an acre of soil so rich that seeds spring up into full-grown plants in no time and even nickels grow into quarters.

**momma.hailey says**

This smaller chapter book (around 60 pages) took about an hour to read a loud, an hour that flew by. We were laughing hysterically the entire time. My 6 and 9 years olds understood the humor. Clever story.

---

**Audie says**

Hilarious! This was a great read-aloud book that I think I enjoyed more than my kids.

---

**Jennifer says**

3 Quick odd stories. Very old feel to the story.

---

**Tiffany says**

This is a silly book that my 5 year olds enjoyed. I think some of the silliness went over their head and will plan on re-reading it when they are a bit older.

---

**Kat says**

My mom suggested this book to me as a kid. Great suggestion! I still think about the three minute beans

---

**Amy says**

Just what you want in a readaloud. Full review here: <http://www.sunlitpages.com/2018/05/wh...>

---

**Amber says**

Fun little book for kids

---

**Sarah says**

A fun, quick summer read aloud. We laughed out loud.

---

**Dina says**

These tall tales are just as delightful now as they were when I first read them years ago. Completely outrageous but so much fun!

---

**Joann10 says**

We are all big fans of McBroom after reading this fun "tall tale" book!!  
A great read aloud!!

---

**Katherine says**

Some of the humor was over the boys' heads, but we all enjoyed this delightful story and I've heard elements of it come out in their imaginative play. I think they'll enjoy revisiting it and reading the sequels when they get older.

---

**Stefanie says**

Read with Liam

---

**Karen Maurer says**

L. O. V. E all of these books.

---

**Rachael says**

This read-aloud was so very very silly and charming! Also clever and legit laugh-out-loud funny. It has three chapters that are really three standalone stories about the farm. The second one with the wind was our favorite, my boys (6yrs and 4yrs) were literally howling with laughter. This book was very clever and cheeky, and a lot of the humor went right over the heads of my boys, so I look forward to reading this in a couple years and seeing how much more funny they find it as they understand more :)

---

## **Amy says**

I thought this book was witty and fun to read. 12 yo DD thought it was too young for her.
