One of the best part of dinner is dessert. With these great pie recipes, you will be able to find that perfect pie to compliment your perfect dinner.

In my Simple As Pie Cookbook, I include many old family favorite recipes, some of which have been enhanced with a few new twists. For example, I love cream pies, but I don't like eating raw egg's in meringue. So, I use my recipe for cream pie and make a topping that is out of this world. This Cookbook includes recipes for both great dessert pies and a bonus section with delicious savory pies.

Old Fashioned Cherry Pie
Tennessee Blackberry Pie
Mountain Blueberry Pie
Berry Cranberry Pie

Pie pie pie :)))

Patricia says

Great book, my grandmother used to make many of these recipes and they were all delicious. All the recipes are simple and have common everyday ingredients. Would recommend for anyone-just learning or experts.

Melissa says

Tasty recipes not only devoted to Thanksgiving, but all year long. Love the inclusions of yummy illustrations, with clear step by step instructions. I also liked the savory pie section...making me hungry just looking!
