*L.V. Pires*

**The Barnacle Chronicles: The Complete Series L.V. Pires  
Death. Darkness. Dragons ... and that's just the beginning.**

Simon Barnacle is a boy who lives in fear. Nightmares haunt his every step and darkness follows him wherever he goes. When his mother falls ill, Simon leaves the safety of his home and bravely ventures out into the changing Marshlands to find her a cure. It's not long before Simon finds himself immersed in an adventure that will take him to places he never knew existed and force him to find the courage to transform his deepest fears into his greatest strengths.

Follow Simon Barnacle in this fast-paced adventure as he chronicles his journey on the Marshlands and beyond. This box-set includes all three books in the Barnacle Chronicle series and is over 600 pages of adventure, magic, and dragons.

# From Reader Review The Barnacle Chronicles: The Complete Series for online ebook

## Clipinchick says

I this book for free from the author/publisher in response for an honest review of the book. I have not had the opportunity to read this book at this time. I will add my review of this book once I have read the book. Thank k you for allowing me the optometrist review your work. I look forward to reading this book.

---

## Auburn says

a fast paced adventure about a boy who must face all of the odds in order to save his mother. along the way he learns how to be strong and just how far he can go.

I enjoyed the series but it is tailored towards younger boys. the trials and action were well written and exciting. having all of the books together made it easier to continue and stay interacted with the plot.

---

## Gea says

Full of symbolism!

Simon, Oculus and friends go on a quest to restore balance. While they do it they have to find their own strengths and powers.

The battle between dark and light is also prominent.

That makes for unforgettable adventures!

NL:

Vol symbolisme!

Simon Oculus en hun vrienden binden de strijd aan met het kwaad. Ze moeten wel eerst hun eigen kracht vinden en in hun kunnen leren geloven. Zo maken ze vele byzondere avonturen mee!

## Lavender says

Placeholder

I won this book via Goodreads Giveaways.

---

## Ken Cook says

I received an ebook copy of this trilogy in a drawing by Goodreads in return for an honest review.

I finally decided to abandon the series after finishing the second book and not returning to the collection for three weeks. The stories in the first two were clever with intriguingly inventive landscapes and plots, but I didn't get what I felt were the allegories that rested underneath the fiction. I just couldn't motivate to return and finish.

### **Mary says**

Great series.

---

### **Phthon says**

An epic fantasy written with originality, great world-building and character development. The story is gripping and entertaining and leaves you wanting more. I absolutely loved it!

---

### **Debbie says**

I wrote a review on book 1-3 is about a boy named Simon who is 12 years old who is living a normal life on a farm he helps his father by harvesting the crops, then the world turns dark and his father dies and his mother is very sick. Simon must find medicine for his mother before it's too late, Simon holds the key to saving the world as he faces his worst fears before it's too late.

---

### **Lynda says**

\*\* I voluntarily reviewed this book after receiving a free copy. This is my complete and honest opinion. \*\*

\*\*\* This review will not include any spoilers. \*\*\*

I give The Barnacle Chronicles: The Complete Series 3.5 stars.

The Barnacle Chronicles is a dystopian series about a young boy named Simon who has to face his fears with the help of a few new friends.

The world is ending... Everyone is turning to ash, Simon is chosen to face Balterax (darkness himself.)

However, darkness isn't the only thing looking to end his world, so I light.

Simon is a very fearful boy... at every turn, he is thrust into his worst fears, however, his fears just continue to pile up higher and higher.

The Barnacle Chronicles reads like Lord of the Rings. However, I enjoyed this way more than I liked Lord of the Rings.

Simon was probably my least favorite character. He was well developed, but just got on my nerves and made me want to strangle the kid. Lark, Oculus, and Tywin were beautifully developed. I believe that I would have enjoyed the book more if one of them were the main character instead of Simon.

The world of the Barnacle Chronicles was entertaining. I loved all of the twists and turns that the book had throughout. The Swamplands are intriguing and I would love to read more books from this world.
