Christian's Coven 10

When Zeke's brother dares him to go into the Manacle to see if vampires really exist, Zeke has no idea the world he's stepping into. He catches the interest of one man who seems determined to make Zeke his. There's only one problem. Zeke doesn't date men.

After spending hundreds of years without a mate, Christo is mesmerized by the human the moment he lays eyes on Ezekiel. He is determined to win Zeke over, even if the man claims he isn't gay.

But more is going on in Zeke's life and it's up to Christo to help his mate out of a sticky situation. As intrigue and desire blossom between the two men, there is one who is determined to stand in their way. He's a cop. He's a Hunter. And he's also Zeke's father.

Summary:

Zeke never expected that accepting a dare from his brother Chase to go into a goth bar called The Manacle would change his life, but stranger things have happened. Christo, an centuries old vampire, knows when he sees Zeke that his has found his mate, but dealing with a mate who isn't gay and has no clue about who he is complicates things. Add to that, Zeke's father is not only a cop, but a vampire hunter and the situation could get very sticky. The attraction between Zeke and Christo was undeniable even as Zeke struggled with his new feelings. When Zeke's younger brother Aiden follows Zeke to the bar issues become more complicated was their family threatens to separate him form Aiden. This was a fast paced story and a wonderful edition to the Christian's Coven series. I look forward to learn where in the Brac Universe Aiden and Chase end up.

I wish we had actually gotten more time with Christo and Zeke - they spent a lot of time apart. I did, however, really like the fact that the sex didn't come until close to the end of the story and didn't take up half

of the story space. This has always been a gripe of mine with authors like Lynn Hagen, and while I realize that she is an *erotic* romance author, she has intriguing stories that I really want to see more of. Too often though, they are overwhelmed by the sex. (It is also why I tend to gripe about the editing, or lack of. A lot of these authors have good stories to tell, with the proper editing they could have *great* stories. So my griping comes not from a dislike of the author, but more from the fact that I actually do like them and am disappointed because their books could be so much better with just a little extra attention.)

I was expecting something...different?...more?... from Christo's story, but I did really enjoy it so I don't mean to complain.

Christo and Zeke. Eh. I was definitely missing something because I was looking forward to Christo's story and I wasn't left feeling all giddy. :(They were apart more than together. Christo was being too handsy for me in the beginning. Christo said just talk and that's not what happened. Give your mate some space. Geez. I like possessive/protective Alpha males, but I don't like them taking advantage. That's what I felt like was happening and it I didn't like the feeling I was getting.

I ADORED Aiden and I want his story...PRONTO! Wonder who his mate is going to be, cause we all know he HAS to get his own story. (view spoiler)

Isla's story is next :)

Well, I delved into the Bracverse a 2nd time and now there are 121 books - yikes! I loved this Universe the first time I read it several years ago and now I love it more, I really do, but I've only been able to read these series (and I have expanded to all the books that are currently out in each):

Brac Pack
Christian's Coven
Zeus's Pack
Demon Warriors
The Exiled

These are the series that start the Universe. Reading them in order is a must. Each book has its own love story but there is an underlying story that plays out throughout them all. As you get towards the end of these series, other series come into play and I noticed that, since I did not read them, I missed some of the characters being mentioned (good and bad) but I was still able to follow because the main ones stay the same.

One day I WILL buy these and read them all!!! (For the correct order, just look on the Internet for Lynn Hagen Reading Order):

Brac Village
Shadow Tribe
BPNG (Brac Pack Next Generation - Brac Pack kids)

Well. 'S okay, I guess.

I can't really work up that much enthusiasm over these books. Something simply seems to be missing, some genuine connection between the protagonists.

And in this particular case, well. Christo's not handling this the smartest way, nor the most respectful, in my opinion.

At the same time, what happened to everyone's mind-reading powers? Why does no one seem to consistently use them anymore?

It'd seem warranted. If Christo wanted to not use them on his mate out of respect (hah), then that's one thing. But I'd certainly expect him to use them on the guy's family, to ensure his safety.

And the other vampires? Plenty of reason at several points to just go for a brain-dive.

Christian's idiotic arguments against (view spoiler) are part of that weirdness. (view spoiler) Uh. *Mind powers!* Come on, you were never squeamish on using them before.

Jeez.

So that annoyed me. And the "romance" did not really help much either. Sex really is not a substitute for emotional closeness. (Admittedly I have read much worse in that regard.)

The one thing I did like was the brothers. Other than Zeke, I mean, although they certainly brought out the best in him too. Eternal optimist that I am, I find myself cautiously looking forward to seeing those two again.

Jennifer Meinken says

I like the series but am annoyed that the big story is also part of another (bigger) series or two that I have little interest in reading. The situation with panahasi in ceri's book then in dante's is confusing. Wish this series was a bit like the black dagger brotherhood series where one big storyline is present in ONE series (yes from what I understand she has a couple crossover characters but that's it) instead of the multiple series storyline

¡Christoooooooooo! Desde que lo conocí quise ver quién era su pareja y creo que no pudo haberle tocado alguien mejor que Zeke. ♥

Todo es hermoso, cada cosa que pasó Zeke con sus hermanos y el odioso de su padre. Aunque me hubiera gustado que tuviera más encuentros con Christo pero igual está muy bien. (?)

Necesito saber si Aiden tiene una pareja porque... ¡Carajo si no me sorprendió con lo de su habitación! Quiero ver más de eso, NECESITO VER MÁS DE ESO. ♥

Una historia muy linda, lo disfruté bastante. ¡Gracias! ♥

On a dare from his older brother Chase, Zeke enters Manacle. He sees that it is just a club, with a lot of men with men. This is when he meets Christo, Zeke has always been with women and never had any feeling for a male before now. Christo is more than ready to wait for his mate to get used to him. He still lives at home with his dad and step mom. He stays to protect his younger brother Aidan. One night his dad Ted who is a cop and hunter arrives at Manacle looking for him. Unknown to Zeke the hunters have threatened full out war with the coven without the return of the boys. Zeke leaves the club when he learns that Aidan has been put into the hospital. This is where he learns that Ted is really his and Chase's uncle and the supernatural do exist. They take Aidan from the hospital to get well. Christo stays by his mate and Zeke finally gives in to his feelings for Christo.

OVERALL IMPRESSION OF THE BOOK: A must read series, the books just keep getting better. A MUST READ

MY RATING: 5 Hearts *****

I will admit that Zeke took a little bit for me to like in this story. He was a grown man still living at home and allowing his father way too much control for my liking. But I loved just how important family was to him. In spite of his father, he was determined to protect his little brother. And when I viewed this character in *A Vampire's Touch* through that lens, he became much more likeable. He put up with way more than many would and much of what he put up with did not allow him the freedom to grow and learn what was important for him. Ms. Hagen showed us a man that was insecure about his needs but strong in his defense of his brothers. Even as he travelled down a road that led to truths about him that were uncomfortable, Zeke pushed forward. I could not do anything more than respect the man Zeke was becoming even as his world became more dangerous than expected. While Zeke had to grow on me, I loved Christo. He has found his mate but winning him over will take patience. Christo had to walk a fine line so he didn't overwhelm the man fated to be his. This is the tenth installment in Lynn Hagen's Christian's Coven series and is not a stand alone. You will see old friends and meet new enemies. This is a wonderful addition and I am looking

forward to seeing where Ms. Hagen will take us next.

Very good G4Y story that introduces us to a family with 3 sons who share a not so nice father who happens to be involved with vampire hunters and the infamous Joe hephner.

Their father is also a cop so basically untrustworthy and sneaky anyway :-/.

This book is abt the middle brother named Ezekiel, Zeke for short.

I'm looking forward to future stories involving the other brothers chase and aidan. chase is supposedly not gay but I think that might change ;-)

Nice

Finally Christo gets his mate... I wasn't disappointed either... Send was a good guy and I hope we get to see Chase and Aiden again as well..especially Aiden..I hope he gets a mate in this Bracverse?

Gina says

I'm a huge Lynn Hagen fan and I love Christian's cove but this book was a bit of a disappointment. I couldn't get a feel for the storyline between the MC and it felt like it was missing the connection that her other books usually have. It left me feeling bleh...

Hc says

An action packed adventure...

I doooo have questions!

His brother Aiden mentions a pull towards the club..never expanded on it..perhaps part of the deeper mystery? Othwise the main thing missing for me was seeing Zeke exploring Christo as this is his mate AND the only time he'd been with a male, as previous straight guy.
