Battle Royale, Vol. 10 Koushun Takami , Masayuki Taguchi , Tomo Iwo (Translator) , Keith Giffen (English Adaptation)

Shuuya walks into the dining room to find all the girls except Yuko dead. The tragic deaths of her friends has sent Yuko further over the edge. She climbs to the top of the lighthouse as the madness takes over her mind, ignoring Shuuya's pleas. Realizing she was wrong about Shuuya, Yuko throws herself off of the lighthouse.

From Reader Review Battle Royale, Vol. 10 for online ebook

Fugo Feedback says

Estoy bastante seguro de que había "readeado" todos los tomos del manga de Battle Royale, pero por algún motivo parece que cuando el infame Deleted Member empezó a borrar ediciones a ruleta, hubo ediciones que directamente desaparecieron. Por ahora copipasteo esto a toda la serie para disminuir el riesgo de que vuelvan a hacer una forrada semejante.

Tays says

7 kids left then. 8-|

Cristhian says

más capítulos sin acción real.

Velvetea says

Another morsel to feed the addiction!!!

Miss Ryoko says

I really liked the scene between Yuko and Shu and how it kept switching back and forth from them to Yuko's parents. I think I appreciate this scene because often I've wondered about these kids' parents and where they are and why there isn't more outrage over The Program. I understand why there wouldn't be, but I still believe that there would be plenty of parents who would risk their lives to try to save their children's.

Only 7 students remain and 5 volumes... I wonder what is going to happen!!!

The Stumps says

Another exciting volume.

Shanu says

I liked to see a bit more of Mim (even if he was dead). On the other side i didn't quite like to see how

sexually or disgusting are graphed the female characters, all except Nori. I don't like her semi princess semi virgin condition.

Trent Donaho says

So.... 5 volumes remain and 7 characters are still alive. This book really puts into perspective how friends can turn on friends within an instant. The girls in the lighthouse all killed each other because of a mistake. Wow. Plus There are so many characters that have sociopathic tendencies

Shayna Ross says

I think it is safe to say that the "real" battle starts after this volume.

Tracy Klein says

Quiet chapter, mostly introspection. Nice.
A bit tired of everyone going nuts under pressure, I'm done with insane kids.

Sir Nicho says

Reread.

Agustín Fest says

Este volumen también se puede leer como una pieza separada: El enfrentamiento en el faro me parece uno de los episodios dónde todo eso que puede salir mal, sale mal y todavía más. Un grupo aislado del infierno que viven los otros estudiantes se ve expuesto con mayor intensidad a la desconfianza, los juegos psicológicos, que genera el programa y las consecuencias son funestas.

Este también es uno de mis "capítulos" preferidos...

Indah Threez Lestari says

Baca ulang.

Peristiwa tragis di mercu suar, ditambah menemukan jenazah Shinji Mimura, membuat Shuuya hampir menyerah. Kalau saja ia tidak diingatkan untuk meneruskan perjuangan sahabat-sahabatnya yang telah

tewas...

Di jilid ini, Kazuo menambah korban lagi.

Allright then, tinggal 7 orang...

Michael Sorbello says

Not nearly as much death in this volume, but good lord is it emotionally draining. Shu wandering the battlefield, observing the corpses of all of his friends and loved ones and reminiscing over the time they spent together. The emotional toll it takes on him seeps through the pages, the scene where he was hugging Mimura's dead body made a tear roll from my eye. Beautifully done. The finale is on its way, all of the characters except for the main three and the two sociopaths remain. It's gonna get bloody.

Lee says

This volume of Battle Royale is about Shuuya facing up to the fact that his ideals of "people won't play if you just reason with them" and that "everyone has a spark of goodness in them" are put to the test. Shuuya is not a strong character because of his fighting skills. He is strong because he chooses NOT to fight, NOT to kill. So it's going to be interesting to see if he can survive the Program and still remain true to himself. This installment is a more meditative tome than others, because Shuuya finally has time to think, and that's not necessarily a good thing.

What does it all mean? He'll have to think about his next move as he makes his way back to Shogo and Noriko, two people he hopes are still alive. The contestant pool is getting awfully small these days.
