## CRUSH 3 Ivy Symone

In the third installment of Crush, everyone is faced with eye opening life experiences and hard choices to make. This could be the end of the road for some while others are just beginning. Shocking secrets can destroy relationships and render some an early death certificate.

Did Lamar really slip Jazmin something to make her miscarry? What becomes of Cassie and Rock? Who is Tanya's son's father? Could it be Sean, or one of the other guys in the group? Will Desiree and Damien's marriage continue to thrive, or will it fizzle? Can Rayven find it in her heart to forgive Sean and welcome him back home with open arms?

With Jazmin and Jah, neither one of them know if they're ending or beginning. Will these two ever get it together? Or will the other people in their lives such as Nivea and Lamar continue to run interference? And who is that lady at Jah's condo?

Questions have been asked and now it's time for them to be answered....CRUSH 3!

#### **Jah n his Juicy.....**

If I could give 10 stars I would have....withdrawn into this one just as I was the last two. Jah is still crazy as ever n just as stubborn. Juicy still fighting her feelings n love for him n the rest of the gang still full of drama. Just like I like it....drama filled with a touch of humor here n there. Sad it ended but loved the way it did....good story....

I swear this book had me laughing and crying all the way through. The love between Jah and Jazmine was so real, you could feel it. I can truly understand how people can fall for fictional characters after reading this book. The author has done it again with the third book from this series. I am truly impressed. This is one of the only other books that I've read this year that was free of error, and followed closely with the previous books. I look forward to reading more by Ivy..... But I know juicy and Nah are unbreakable so please retire them. They are one of a kind

**Jasmin Watson says****Crush 3**

Lawd this book was everything and every bit worth the wait. It pick up right where part 2 left off. I'm happy that Jah and Jazmin got it together. I was tired of Nivea and Jah with that back and forth. Lamar I don't know what to say about him but he gotten what he deserve.

**Raquel W says****Amazing!**

I absolutely loved this series! It took me through a range of emotions and the story had all types of twists and turns. Jah was quite complex, and I appreciate that he was the true meaning of never judge a book by its cover. He was funny, real, and raw!

\*\*\*Please note... I am still laughing while typing this freaking review\*\*\*

First I need to say all three books were seriously awesome.. HOWEVER I did love this one the most and I shall explain why!

This book was extremely freaking funny to me.... Jah and his lack of filter is hilarious and I am not quite sure how anyone can take this dude serious. I mean almost everything that came out this guys mouth was funny. I have never read about a character who just says whatever the hell they are thinking with 58 curse words included.

Now on a more serious note.. these book were MESSY, I mean all these twist and turns and shocking revelations I mean it was like "Boom, Boom, Boom" but within all the mess there was a wonderful urban story. again with friends like these... who needs enemies.

I also should add.. Jazmin is frustrating as hell... but stick with her "stupid ass as Jah would say" hehe and she is plus size WHOOT WHOOT. I alway root extra cushion characters.. more believable.

I have to say I loved the outcome of everyone's story. I am also very glad that the author wrapped each person's drama in the end so you didn't get left with "well I wonder what happened" because it was all nicely

wrapped.

So YES I shall recommend this book to EVERYBODY. I wasn't sure about walking over to the urban side  
HOWEVER.. I am glad that I did. For once the amazon and goodread ratings matched the book perfectly.

Signing off... I will never think about lil caesar's the same LOL
