## **Janet Merrell says**

What a great series. Love a series about siblings and this author had a great style. I would say that the third book (The Guardian) and the last book (The Rescuer) were my absolute favorites. All of the siblings had their flaws but it was amazing to see them one by one turning to Christ. The back story of a dying sibling was also especially well done.

A complex family that professionally have a lot of overlap in the law enforcement field. Unique in the inclusion of their faith journeys as part of the plot lines.

### **Wonderful**

I loved the dynamics of the family but also the way that you could see the struggle for becoming a Christian with so much past hurt to overcome. This isn't the first time I've read this series but each time I learn something from it to help me through my own struggles.

I have and always will recommend this series!

Thanks Dee for this awesome book!
