## **Evan says**

The best book simple to read, I can stop reading this book learn many things, cleared many ideas and I'm putting in practice.

## **Robin Friesen says**

This is the second time I've read this book. It is more about a deeper Christian life than seeing.

"In fact, I believe that the main objective of our spiritual growth is understanding our identity more and more."

"Growth is about understanding your identity. It is growth into what we already have received."

## **Omeka says**

This book is well written and on the level of a spiritually mature person.  
Absolutely love it.
